GENERAL BOARD

Your General Board has had a busy and fruitful year under the capable leadership of President James Cammack. Your General Board is entrusted with carrying on all business transactions of the Baptist State Convention during the year when the Convention is not in session, and to make certain recommendations to the Convention which call for Convention action, such as budget, etc.

Among the many significant actions during this year, we mention a few:

1. Mr. Luther Osment, who was an associate in the Brotherhood Department, was elected as an associate in the Town and Country Missions Department. His new work will be in the Southern Appalachian Mountain area of our state.
2. Recommendation to Baptist Hospital: Dr. John Lewis presented a resolution to the General Board concerning the feasibility of a new plan of relationship between the Baptist Hospital and the Baptist State Convention, and that the phasing out of the School of Nursing be delayed until after the Convention. This was approved and a study committee will be recommended to the Convention in November.
3. Requests to borrow money by some of our Baptist Schools were reviewed and recommendations will be made to the Convention this fall.
4. Regular routine work such as budget, personnel and mission matters have all received careful consideration by your General Board.

Respectfully submitted,
C. H. Greene

MUSIC REPORT

This past year our only associational effort was a Carol Sing at the First Baptist Church of East Flat Rock on December 6. We had a combined youth choir directed by Miss Jeanette Nelson and special numbers from several of our churches, with the entire congregation entering into the spirit of the meeting as they harmonized on the Christmas music. The able assistance of a "drafted" committee helped in forming and carrying out plans for the Carol Sing. They were Miss Jeanette Nelson, Mrs. David Hill, Junius Huggins, and Paul Wright.

For the first of such meetings in many years, we felt good about the attendance and participation on this cold Sunday afternoon.

Your interim director taught a music school at Brightwater Church on six successive Sunday evenings and four of our churches were privileged to have Dr. Phil Perrin from Gardner Webb College to teach for five nights in each church.

A number of our young people attended one of our music weeks at North Carolina Baptist Assembly at Southport.

We look forward to a better year as we make music together.

Respectfully submitted, Swannie Colvard

BROTHERHOOD

The responsibility of boys taken on by Baptist men has aroused a greater concern for youth responsibility among our men. In RA work many men are finding their place of service seeking to lead boys into a more Christ-centered life.

In addition to the challenging cause of RA work, many other facets of community needs are coming to the forefront, more specifically named "Christian Ministries." Ministering to the brieved, dope addicts, shut-ins, school dropouts, inmates of prisons, and other ministries when needs occur in the community.

As we acquaint ourselves with the new methods of court procedures and the parole system, the high-rise prisons...especially those directed to youth and young adults... who can deny that we are living in a changing era. The upgrading of RA Chapters through the Brotherhood is a very effective tool on the local church level.

We all agree that the "strong home teaching" as we once knew it is weakening. One of the commands God gave his people in Deuteronomy 6:7, "And thou shalt TEACH them diligently into thy CHILDREN, and shall talk of them when thou sittest in thine HOUSE..." was God's solution to keep society from deteriorating. We cannot expect to solve some of the problems we face today unless we go back to "strong home teaching."

As men assume their rightful place in the HOME, CHURCH, and COMMUNITY they are able to become more effective and their witness for Christ will be strongly felt.

Respectfully submitted, Roy Huggins

WOMAN'S MISSIONARY UNION

The Associational WMU held their annual meeting on May 10, at Valley Hill Church. Two important changes were voted on at this time. One, to recommend to the Associational Missions Committee that the WMU turn all their monies over to the associational treasurer and that the expenses of operating our organization come from this mutual source. We also accepted the suggestion from the new WMU manual to no longer have a constitution, but a less formal "Plan and Procedure" for our organization.

Our workshop, held for two nights at Mud Creek Church, September 20-21, was well attended. We felt especially lucky this year to be able to have our State BYW Director, Miss Linda Warren from Raleigh, to teach the workers with this age group; and our State WMU President, Mrs. Gilmer Cross from Lexington, was with us to teach the Baptist Women.

Each of our groups have worked to promote enthusiasm and to encourage the women and girls in our churches to not lose ground during this year of many changes. A special big thanks to Mrs. John Love of Etowah, who has served the GA's of the Carolina Association for four years and the Acteens one year. She has rendered an invaluable service. Also, to Mrs. Marilyn Fletcher of Locust Grove, for directing the BYW during the "ground breaking" year.

Two of our ladies attended the workshop at Munda Vista and the executive committee had a brief study of the new WMU manual.

This year we pledge our energies and abilities to assist the churches in fulfilling its mission through mission education and involvement, that our churches may become the lighthouses they are intended to be.

Respectfully submitted, Swannie Colvard

CHURCH TRAINING

The most well-attended meeting in Associational Church Training for the year was "M" Night, held at the Mud Creek Church, November 23, 1970. Approximately 300 persons came. The Gardner Webb College Choir led in worship through music, under the direction of Mr. Phil D. Perrin. Nane Starnes, pastor of West Asheville Baptist Church, was the inspirational speaker.

Youth Night was held at the East Flat Rock Church, with about 90 youth and adults present. New officers were elected. Gayle Booth from Fruitland Church was re-elected as president; Cindy Thompson, vice president; and Suzanne Condrey, secretary. The worship experience included music by Linda McKinnish of Ebenezer Church and a youth group from Fruitland Church. Featured guests were members of the Fellowship of Christian Athletes organization from Mars Hill College. Special thanks goes to Mrs. Bobby Graham from Fruitland Church and the youth officers for planning and promoting this youth happening.

A Church Training Workshop, April 20, at the East Flat Rock Church, attracted a small group of 45. Age-group division heads from the Church Training Department of the Baptist State Convention led the leadership training sessions. Pastors and laymen need to beware that such poor response to qualified state leaders is going to discourage leadership training opportunities of this nature in the future.

Three children participated in the Scripture Exploring Drill this year - Lanette Graham and Jamie Hill from Fruitland Church, and Suzanne Duncan from Locust Grove Church.

A word of thanks and a word of challenge is in order to all of you who believe that Christian training does make a difference.

Respectfully submitted, Herman F. Hicks

SUNDAY SCHOOL

This year in Sunday School work has been characterized as the year of change and challenge. New procedures in approach and new methods in teaching the biblical revelation have been central in Baptist Sunday School work. Encouraging reports concerning the new literature and new grading have been most prevalent.

Much emphasis next year will be given to the "ReaLife Program." The Sunday School Department of our Baptist State Convention has plans to train 60 people across the state to help carry out this phase of the work. Help will be given through associational clinics in the early Spring, and also help for local churches by these people will be available.

We believe that the commission to "Go Teach" the biblical revelation is Christ's marching orders to every church and every Christian and that the Gospel of Jesus is man's only hope today - as in days past; thus, calling each of us to a new dedication in Sunday School work so that we might match the needs of the hour with the message of "The Book."

MISSIONS COMMITTEE

The Associational Missions Committee has worked closely with our Superintendent of Missions in seeking to make our mission endeavors relevant to the needs of our churches and our day.

Our meetings this year have included discussions of and action on the Seventh Avenue Rescue Mission, policy updating on the Mission Store, planning and projecting the work of the Apostoloi team, and the giving of assistance to Jimmy Merck in his work in the northern New York area.

We stand ready to assist any church in their mission efforts.

Respectfully submitted, James H. Ballard

MISSION STORE

Go into the Mission Store almost anytime of the day and you will see people purchasing clothing and articles of useful nature that they could not afford to purchase new in the stores uptown.

Our Mission Store is providing a very needed and blessed ministry to our community as those people less fortunate than most of us find a place and people interested in seeing that their human dignity is retained and their immediate needs for clothing are met.

We encourage you to support the Store with your donations of clothing and other useful articles.

Our deepest gratitude also needs to be expressed to Mrs. Inma Roberts and her staff for their faithful work.

Respectfully submitted, James H. Ballard

TEMPERANCE AND PUBLIC MORALS

The Christian in our world surely must be convinced that we are not doing very well in the areas of temperance and morality. In fact we are seeing the consumption of alcoholic beverages, tobacco and other drugs at an all time high and public morality at an all time low.

In the light of these facts there are some areas where we must increase our efforts.

1. The voting record of our state legislators should emphasize to us that we need to demand, from candidates for public office, a clear and definite statement as to where they stand on the matter of the use of alcohol as a beverage and refuse to support a candidate who is not definitely against its sale and use. We should let them know we will remember their record when their time for re-election comes. (At this particular time, let us pledge our prayerful support to the residents of Moore and Mecklenburg counties as they wage their battle in the liquor-by-the-drink elections this fall.)

2. With the continued disregard for law and order we must let our law enforcement officers know that we support them in their efforts to fulfill their responsibilities. We should remind our courts that we expect them to convict and prosecute those who are guilty of breaking the laws of the land.

3. Most of our churches have a covenant that states very plainly how their members should act. It is high time we either change our covenant or remind our members that we expect them to live up to that which they promised when they joined our fellowship.

4. Let us never lose sight of the fact that our greatest weapon against intemperance and immorality is a strong emphasis upon personal evangelism and the deeper spiritual life for believers. Lives transformed by the power of the Holy Spirit manifest Christ's likeness in actions and attitudes.

FOREIGN MISSIONS

"Missions is a grand endeavor based on trust." Southern Baptists by their prayers, love and gifts make possible the foreign mission enterprise throughout the world.

The full story of missions is not in numbers but in the terms of the dedication, faith, courage and patience of those God-called laborers who give themselves in the thrilling task of making Christ known to the peoples of every nation.

Our mission fields are divided into six geographic areas with a secretary for each area: Africa, Europe and the Middle East, Southeast Asia, South America, South Asia, Middle America and the Caribbean.

During 1970, one hundred eighty-two were added to our mission force bringing the total missionary personnel to a new high of 2501. This includes 2211 Career Missionaries, 165 Missionary Associates, 121 Missionary Journeymen and 4 special project physicians and nurses. We need missionary personnel to carry the load overseas until men and women of their own countries have been trained to do the work.

Five new countries were entered in 1970, and fifteen new stations of missionary residence were opened.

Reports from the field show baptisms and church memberships at an all time high. Our foreign mission work includes 13,113 churches, chapels and preaching points with 687,046 members including 60,276 baptisms in 1970.

Those who go to other lands in response to God's call are trusting Southern Baptists to support them in the fullest. This is a God-given trust...we must keep faith with our missionaries in obedience to His command.

In 1970 contributions and receipts for foreign missions were:

Lottie Moon Offering	$15,305,235
Cooperative Program	14,113,351
Miscellaneous	2,084,632
Other Income	3,610,929
	$34,664,147

Of each dollar contributed to foreign missions 91 1/2¢ was spent in overseas work and 8 1/2¢ spent for the general, administrative and promotional work of the Foreign Mission Board.

May each of us in the Carolina Baptist Association pray earnestly for God's continued leadership and blessing upon the work of our missionaries and Foreign Mission Board.

Respectfully submitted,
Audrey E. Saunders

HOME MISSIONS

A restructuring of the staff has taken place. Three sections were formed: Planning and Coordination, Program Implementation, and Program Service. This was done to strengthen and expand the Board's efforts to assist churches in missions and evangelism.

MISSIONARIES - There are 2,222. Approximately two-thirds are supported jointly with state conventions and serve in the fifty states, Puerto Rico, and Panama.

LAY MATERIALS DEVELOPED - A training plan for lay evangelism, including materials, spiritual preparation, and training which prepares laymen in sharing their faith.

CHAPLAINS - There are 942. Of these 617 are on active duty with the military; 325 in other positions; (701 part-time chaplains); 11,086 professions of faith, and 850 units of work started.

CHURCH LOANS - Loans have been made to 126 churches in the amount of $3,926,891; 81 other loans for more than $4,000,000.

NEW CHURCHES AND MISSIONS - Total of 350 - a 25% increase in the pioneer areas. The baptismal ratio is one convert to four church members.

LANGUAGE MISSIONS - Includes 1,032 missionaries in 41 states, the District of Columbia, Cuba, Panama, and Puerto Rico.

COMMUNITY MINISTRIES - There were 3,126 professions of faith, 35 new areas of work started, and over 500 churches and Baptist Centers assisted.

INTERFAITH WITNESS - Approximately 846 persons served as student missionaries and they were sponsored by the Board and Baptist Student Union.

Jimmy Merck resigned as pastor of the Horse Shoe Baptist Church of our association and moved to the pioneer area of Richville, New York. He became pastor of the Richville Baptist Chapel, August 1, 1971.

STATE MISSIONS

GENERALLY SPEAKING, State Missions in North Carolina can be divided into two major categories: (1) ministries that STRENGTHEN and (2) ministries that LENGTHEN the witness of local churches.

STRENGTHENING ministries involve the various church program organizations such as Sunday School, Church Training, WMU, Brotherhood, etc. These are programs that better enable local churches to realize their own mission potential.

State Missions ties into all of this by providing resources and personnel that assist in the development of these ministries. Workshops, seminars, and conferences are conducted each year that deal directly with the strengthening of these organizations. State Missions, therefore, helps local churches as they themselves become types of "mission stations" across the state.

The second type of State Missions are those ministries that LENGTHEN the witness of local churches. These are cooperative efforts that "represent" the concerns of local churches; programs that require the support of many congregations. Some examples of these ministries include Urban Missions, Interracial Cooperation, Resort Ministries, Language Ministries, Chaplaincy, Fruitland Baptist Bible Institute, Seminary Extension, Ministry to the Deaf, etc. These are specialized programs that require the continued support of well-trained personnel. Many of these ministries are co-sponsored with the Southern Baptist Home Mission Board who provide home missionaries, as well as other resources.

Each of these ministries, however, works closely with local churches and associations. In Resort Ministries, for example, local churches and associations often participate by providing personnel and other resources. It is not uncommon for urban weekday programs to look to churches and associations for a needed location and other resources.

Other extending ministries include Literacy Work, Migrant Missions, Mountain Missions, Week-Day Ministries and Youth and Family Services. All total, State Missions involves over 50 different ministries across North Carolina. These programs serve as a vital link in the total World Mission responsibility of North Carolina Baptists.

MIGRANT MISSIONS

The migrant ministry in Henderson County this year was directed by Mr. Jack Stafford, a Fruitland graduate. He was employed by the Migrant Council and supported from various sources.

The migrant ministry did not get started in time to enlist a large number of churches to carry out a well-rounded program. However, under Mr. Stafford's leadership many groups worked with him. These included a group of Jewish young people, the Apostoloi Team (four Baptist college students), and visiting groups from out-of-town churches. A definite word of appreciation is made to the local pastors who, along with their churches, did help Mr. Stafford in this work.

Migrants were not located in large concentrated areas this year, but were scattered throughout the area. This made it more difficult to carry on organized programs among them. Each year, fewer migrants are coming to Henderson County.

A tremendous expression of commendation must always be given to the Migrant Council of Henderson County for the social and medical ministries which they render to these people.

Let us not forget the migrants as they come our way each summer and be willing to reach out to them with the gospel.

AMERICAN BIBLE SOCIETY

The American Bible Society's ultimate objectives at home and overseas are: a Bible in every Christian Home, a Testament in every Christian's hand, a Scripture portion for every reader, and an opportunity for those who care to share God's Word.

There are translations and designed scriptures for the blind, the campus ministries, the inner city, for the ill and handicapped. In 153 years of service, there have been more than 1,300 different languages and dialects. They publish the scriptures to make it easier for someone, somewhere to read and understand God's Word.

Our Mission Store on West Seventh Avenue sells extra large print Bibles through the store at cost... $1.90 each. No profit is made on the sale of the Bibles and we sell over 150 each year. We have placed 11 of these in nursing homes, one in the YMCA, and one in the Blue Ridge Technical Institute.

We encourage you to promote these large print Bibles by giving money to buy more and also buy and give them to your loved ones that have difficulty with reading.

Respectfully submitted, Mrs. Curtis McCarley

HISTORIAN'S REPORT

In the words of the poet Gray:

"Full many a flower is born to blush unseen,
And waste its sweetness on the desert air."

So it is with many of our church accomplishments. We keep them to ourselves too often and do not let their fragrance spread for the sake of example and encouragement to others.

Changes in the leadership of several churches have taken place over the year. A number of pastors have resigned and have been replaced by newcomers or by transfers.

RESIGNATIONS: Rev. H. O. Hearn has resigned at East Flat Rock; Rev. Andrew P. Webb at Bearwallow; Rev. Ralph A. Banning at Mountain Home; Rev. W. M. Arrington at Jones Gap; Rev. Ray E. Inglett at Bat Cave; Rev. Kenneth M. Williams at Liberty; Rev. Carl Mintz at Beulah; Rev. Oscar Smith at Pleasant Grove; Rev. Harold McKinnish at Tuxedo; and Rev. Dan Blackwell at Locust Grove; Rev. Kenneth Ridings, Ebenezer.

NEW PASTORS: Rev. Lloyd Lane is the new pastor at Bat Cave; Rev. Dean M. Weaver at East Flat Rock; Rev. Walter E. Taylor at Locust Grove; Rev. H. L. Sprinkle at Brightwater; Rev. Gene Hopkins at Liberty; Rev. Curtis Waters at Tuxedo; Rev. Bill Landreth at Mountain Home; Rev. W. C. Blalock at Saluda; Rev. John Dickson at Pleasant Grove; Rev. James Cox at French Broad; while Rev. Harold McKinnish has transferred from Tuxedo to Ebenezer, and Rev. Dan Blackwell from Locust Grove to Beulah.

Mr. D. H. Caldwell has assumed the position of music director at the Valley Hill Church, and Mr. Aubrey Edwards that of minister of music and youth at Hendersonville First.

ORDINATIONS: Two ordinations to the ministry have been reported Rev. Walter E. Taylor at Refuge, and Rev. Clarence K. Porter at Balfour.

TWO DISASTROUS FIRES: Two disastrous fires occured in the summer within the bounds of the association, that of the burning of the Pleasant Hill Church building and that of the Justice Building at the Fruitland Institute, both of incendiary origin. In the words of a local newspaper reporter, "The fire which destroyed the Pleasant Hill Church building took away one of the classic old time church buildings of the 1880's and 1890's era in Henderson County." The Pleasant Hill people are now worshipping in a temporary building while plans are being made for rebuilding a sanctuary.

The Justice Building, named in honor of the founder of Fruitland Institute, the Rev. A. I. Justice, was a landmark of the community and had served many useful purposes over the years. Many of the most useful citizens of Henderson County recall with pride the training received within its walls and the noble teachers who imparted knowledge there.

Largely through the courtesy of the people of the Fruitland Church the training of ministers is still being carried on, while the leaders of the Baptist State Convention are pondering and planning to rebuild.

MR. M. K. SINCLAIR: Another great loss sustained by our community was the death of Mr. M. K. Sinclair. For a great number of years he had served his church in many capacities and had been treasurer of our association for more than twenty years. The impact of his life and work was on a par with the best and ablest leaders of our association through the years and has never been excelled. May we emulate his example and faithfulness.

We note also with sorrow the passing of two others whose efforts especially along missionary lines in our women's work, were outstanding. The reference is to Mrs. Oscar Smith and to Mrs. E. M. Bostick, Jr. Mrs. Smith was a member of the Pleasant Grove Church. In a recent issue of CHARITY AND CHILDREN, tribute was paid to her because of her work and influence at the Baptist Children's Home years ago. Mrs. Bostick was a former member of the First Baptist Church, Hendersonville, and she and her husband had spent eight years as missionaries in China. Many here will still recall her pleasant nature and contribution to our work.

ASSOCIATION-WIDE: The youth Apostoloi Team effort was a pilot project supported jointly by the Student Department of the Baptist State Convention and the Carolina Baptist Association. We are grateful for the churches that were willing to give such an effort a try.

OUR YOUTH: Especially worthy of mention is the marked increase in the religious interest on the part of our young people. Under the proper direction and leadership they are showing themselves capable and willing to undertake the responsibility of many tasks heretofore left undone. The impact of our church youth is having a marked effect upon the lives of others with whom they associate. With such young people as we have in our churches we can look to the future with greater promise and hope.

OTHER MATTERS OF INTEREST: The Fruitland Church has enlarged its sanctuary. The Locust Grove Church is in the midst of a building program. Double Springs Church celebrated its centennial in July. The First Baptist Church has set a record in the baptizing of 101 people. The Etowah Church with a goal of $1800 for the Lottie Moon Offering has contributed $2423. The Mud Creek Church recently honored Rev. and Mrs. Frank Carter for their leadership of ten years. Miss Jeanette Duncan and Miss Teresa Drake of the Locust Grove Church reached the final level of the Acteens Individual Achievement Plan, namely SERVICE AIDE. According to our records these are the first two young ladies to receive this award in our association.

Report your accomplishments to our association office and let us go forward.

Respectfully submitted,
C. F. Jervis, Historian

Your committee is united in its belief that our associational mission program is a very necessary part of the outreach of the kingdom of God. We believe that we can and should call upon the churches to support this program and budget with prayers and gifts. The Baptist State Convention has been helping us with around $2,000 per year; and if they do the same this year, we will need around $13,750 from the churches.

We are asking each church to give 3% of its undesignated gifts to this cause. If your offering is $100 per week, then you should give $3.00 per week to Associational Missions. Some of you may not be able to do that this year, and we are asking that you increase your giving to Associational Missions by 15% over the past year. If you have been giving $50.00 per month, you would increase that to $57.50. We hope you will do this.

your Finance Committee,

EXECUTIVE COMMITTEE

The Executive Committee met in three regularly scheduled sessions and other called sessions during the associational year.

Rev. James Ballard was elected to a two-year term on the Missions Committee to replace Rev. George Johnson, who moved to another pastorate outside our association.

The committee planned and promoted a pilot project of the Baptist Student Union of the Baptist State Convention in our association with four college students participating. These students formed the "Apostoloi Team" and worked primarily with the young people in our churches. They worked one week each in eight different churches during the summer. Their program consisted of Bible study and prayer, rap sessions, various kinds of recreation, and a challenge to young people to dedicate their lives more fully to Christ. The team also held associational youth meetings each Tuesday night at the Mud Creek Church.

Our state convention produced a film showing many phases of state mission work, and this film was shown in a number of churches during August, 1971. Among other minor projects, your Executive Committee was responsible for placing several large print Bibles in the rest homes of the area.

As the moderator of the association, I would like to ask that each church in our fellowship send a representative to each meeting of the Executive Committee. Notification of these meetings is sent to each pastor well enough in advance for each church to be represented.

Your fine spirit of co-operation has been deeply appreciated.

Respectfully submitted,
John Rymer, Moderator

EVANGELISM

All Christians need to thank God for the renewed interest among youth in evangelism. This was evident during the Youth Evangelism Night this past February 2, 1971, when almost 20,000 youth and adults overflowed the Greensboro Coliseum and War Memorial Auditorium. There were 1,159 decisions.

The Division of Evangelism in co-operation with our Brotherhood Department and the North Carolina United Methodist Conference will sponsor four Regional Evangelism Conferences for Baptist and Methodist men during October 18-19 and 21-22, 1971, across the state. Lay evangelism will be the emphasis of these evening meetings. Dr. Ben Johnson of Atlanta, Georgia, who has assisted Dr. Billy Graham and Dr. Ken Chafin in several conferences, and Dr. Ralph Neighbour of Houston, Texas, will be the guest soloist. Laymen will preside, share personal testimonies, and have the scripture and prayer.

The 26th Statewide Evangelism Conference will be February 7-9, 1972, at the Cumberland County Memorial Auditorium in Fayetteville.

The next Statewide Youth Evangelism Night will be on Friday evening, August 18, 1972, at Greensboro Coliseum.

Remember to pray earnestly for the non-Christians in North Carolina and around the world that through our efforts together the Holy Spirit may lead many persons to commit their lives to Jesus Christ.

Harold McKinnish

NORTH CAROLINA BAPTIST HOSPITAL

Your Baptist Hospital admitted 17,557 persons in 1970 for a total of 150,174 days of care. In addition, there were 51,563 visits to outpatient clinics, including 17,241 to the Emergency Room. About 90% of these were patients who were referred to our hospital by their local physicians because they needed the specialized care our hospital is staffed and equipped to offer.

From the day of its beginning, our hospital has provided good medical care for our people, including care for persons who cannot pay the cost. There has been great progress in medicine and tremendous increase in hospital costs; these have made policy changes necessary. The basic policy of providing care - now the highly specialized care for the more difficult cases - for those who cannot pay HAS NOT changed. This ministry is at the heart of the work of our Baptist Hospital.

The Medical Center Development Program is progressing on schedule. The new patient Tower is expected to be ready for partial occupancy by late 1972. The 14 bed coronary care unit will open about September, 1971.

Baptist Hospital offers a ministry of healing in Christ's name to all who need it. It seeks to fulfill the same purpose in our state that a Baptist Hospital operated by our Foreign Mission Board would seek to fulfill in any foreign land. Since this is missions too, it ought to be supported by missionary-minded Baptists with the same enthusiasm and for the same reason we support every other phase of our denomination's World Mission Program.

CAROLINA ASSOCIATION'S MOTHER'S DAY OFFERING - JANUARY - JULY

Churches		Amount	
1970	1971	1970	1971
43	40	$5,127.54	$4,853.74

This year's offering shows three less churches giving with $273.80 less offering contributed in comparison with last years (1970) totals from our association.

BAPTIST HOMES FOR THE AGING

Our North Carolina Baptst Homes for the Aging celebrated their 20th anniversary in March of this year. During these two decades, the story of our Homes has been one of faith and the abundant blessings of God upon this special ministry to older people. God has brought us from one Home, and one resident in 1951, to five Homes and a Nursing Care Unit, with total accommodations for 160 residents and 76 patients. Two of these Homes, Resthaven and the Hayes Home, and the Nursing Care Unit are located in Winston-Salem, and the other three Homes are located in Albemarle, Hamilton, and Yanceyville.

The past year has been one of the best ever, and we are rejoicing in the blessings that have come from God through our Baptist people. Support for the Homes from the churches, through the Cooperative Program and the Special Day Offering, has been most encouraging. For the last three years, the Homes have had an alarming deficit and have operated in the red. We have not yet reached the point of operating in the black, but let us say, with hopeful optimism, that we are approaching this time. The deepened concern of our Baptist people and the increase in gifts have been strong contributing factors to the success of the past year.

At least 80% of the people who live in our Baptist Homes are financially needy persons and benefit directly from the love gifts of North Carolina Baptists. We would, therefore, urge you to remember that your gifts are a real life-line in this ministry.

Of unusual interest during the past year has been the construction of the new addition to the Nursing Care Unit in Winston-Salem. It is anticipated that this new facility will be ready for occupancy by September 1. It will make available 20 additional beds and bring the total capacity of the Nursing Care Unit to 76. This addition was made possible by the generous challenge gift of $80,000 from Judge and Mrs. William York of Greensboro. The trustees accepted the challenge and raised an additional $80,000.

Pray for your Baptist Homes for the Aging and remember that any ministry to an older person in the name of Christ is a direct ministry to Him.

Respectfully submitted,
George A. Roberts

BAPTIST CHILDREN'S HOMES

The Baptist Children's Homes of North Carolina is a multiple service social agency that provides care, support and training for dependent children and services to strengthen family life. It is believed that every child is entitled to a home of his own. It is further believed that a child who lives in an institution is not different from any other child. With these thoughts in mind and under the leadership of the Holy Spirit, the North Carolina Baptist Children's Home has grown considerably and is widely recognized for its qualities of service and pioneering spirit. Former children of the Children's Home are scattered around the world making a significant contribution to mankind as a result of their early Christian training.

The well-trained and professional staff from the Children's Home provides leadership for group care programs, foster home care, family services, consultation with churches in pre-school programs and planning for higher education of children who have been in care. The Broyhill Home in Haywood County, between Waynesville and Clyde, is the sixth and newest campus. The Broyhill Home brings to Western North Carolina a much needed child care center in that part of the state and will eventually care for some 50 boys and girls. At present funds have been raised through the Founders and Builders Program to complete two cottages. These cottages were occupied in the Spring of this year. Eventually two additional cottages will be built along with an administration building and a home for the superintendent.

North Carolina Baptists and friends are making this type of Christian ministry possible to hundreds of boys and girls who otherwise might be denied many of life's opportunities. But the needs are still great. Contributions through the Cooperative Program, Thanksgiving Offering and special gifts are essential to our continued operation. Personal gift opportunities are unlimited especially with the opening of the Broyhill Home.

You may want to consider being a foster parent or be interested in sharing your family with a child under the Visiting Home Program. Each year an increasing number are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children.

ANNUITY BOARD

Bond yields are now close to their highest yield in a century! Standard and Poors 500 stock index shows great overall 10-year gain...yet a big loss for many! B.L.S. Consumers price index shows inflation has eroded the purchasing power of the dollar since 1900 by 80%! In the last five years the cost of living has risen 25%!

All of this is a bit confusing to the average church member. So. if you would like to care for your pastor and his income needs now and in the future without worrying about bond yields, etc., investigate your Southern Baptist Annuity Board protection program.

Some of our churches are slowly realizing that the Southern Baptist Annuity Board is an organization set up for our full-time religious workers. Just as industry and most major companies in the United States have fringe benefits such as hospital insurance, disability income, and retirement funds, so does your Southern Baptist Convention have fringe benefits for its workers. When one is employed by industry he normally isn't asked if he wants to enroll in their protection program, but is told to sign on the dotted line and then he has the coverage. As Baptists, we don't work that way. Each church has a choice. Unfortunately, too many of our churches are choosing to do nothing. We are directed to care for our own! Turn in your Bible and read I Timothy 5:8. It reads as follows: "But if any provide not for his own and specially for those of his own house, he hath denied the faith and is worse than an infidel." That is a very plain statement, and I don't believe any of you can translate it any other way, except as it reads.

What are you and your church doing for your own?

Respectfully submitted,
Ted N. Reese

CHRISTIAN EDUCATION

For more than a century Henderson County Baptists have placed much emphasis on Christian education from the establishing of Judson College in Hendersonville in the 1800's to the present day, with the churches supporting the seven North Carolina Baptist Colleges throughout the state through the Cooperative Program. Outside of student charges, the Cooperative Program continues to be the largest single source of income for our colleges. Happily, these Baptist colleges in North Carolina have been able to maintain themselves while facing the competitive atmosphere of State Universities.

Each year the Baptist colleges are attended by thousands of students many who have committed their lives to serve in some category of Christian related vocational service. A great number of these will become pastors, missionaries, etc.

Yearly a special emphasis for observance of Baptist College Day is set aside when each church is urged to give their people the opportunity to share in this great ministry in a definite way. Bulletin covers and offering envelopes are made available to all Baptist churches in North Carolina who wish to use them on Baptist College Day. This helps to meet critical financial needs of the schools.

Of great concern at this time has been the recent fire at our beloved Fruitland Baptist Bible Institute, and our desperate need to replace this building as soon as possible. Our State Mission goal for this year was $250,000 until the fire occurred at Fruitland. The insurance on the destroyed building will not even provide half enough for a new building so the goal has been raised to $300,000, with the earnest hope that every

church will take a generous State Mission offering to help meet this urgent need and others.

Much prayer is needed for the Christian education phase of our Baptist outreach.

CHRISTIAN LITERATURE

One of the primary responsibilities of the local church is to provide the best possible program of education for its membership. Baptists have long recognized the fact that the individual believer is capable of recognizing and appropriating truth for himself and this is the foundation upon which the concept of the priesthood of the believer rests. Accordingly, the local church has the responsibility of providing for its membership not only the best possible materials to aid them in their Bible study, but also to promote as strongly as possible the reading of these materials. It is fitting that we remember the objectives of the program of church literature publishing as outlined by our Sunday School Board.

1. To edit, produce, and distribute to churches the general and curriculum materials that will help them to carry forward a balanced program of Bible teaching and Christian training.
2. To edit, produce, and distribute study and reading materials which will help persons become aware of God as revealed in Jesus Christ, respond to Him in a personal commitment of faith, strive to follow Him in a full meaning of Christian discipleship, live in conscious recognition of the guidance and power of the Holy Spirit, and grow toward the goal of Christian maturity.
3. To produce and distribute a weekly series of church bulletins, maps, and stencils edited by the executive committee of the Southern Baptist Convention.

In addition to the publications of the Southern Baptist Convention, we are fortunate to have in our own state one of the most dependable sources of information available, the BIBLICAL RECORDER. The BIBLICAL RECORDER is just as important in the life of the church as these other publications and should be in the budget just as this other literature is.

The quality of education in the local church is always dependent upon the kind of literature that the church uses. Through the careful selection of materials from the wide variety provided by our Sunday School Board and the use of our own state paper, any local church can provide its people with the finest sources of information.

W. Douglas Cole

COOPERATIVE PROGRAM

We are in an era when a number of our sister denominations are experiencing a decline in funds for various ministries. The Cooperative Program is the life-line, not for just one, but for the multifaceted outreach of Southern Baptists. Our schools, state, home and foreign mission efforts depend in large measure on our giving sacrificially and lovingly. A cut in receipts in this area hurts all of our endeavors.

Where others are falling by the wayside we must pick up the torch and in the power of the Holy Spirit, run the race that is set before us. I challenge you - individually and collectively - to prayerfully and sincerely consider increasing your Cooperative Program giving. We have been guilty of spending far more on ourselves, our own material

needs as congregations, than we have spent on all our mission and ministering efforts. We must work the works of Him that has sent us on mission while it is yet day. I pray that we would covenant together as the people of God to make this year ahead a time of giving sacrificially in the Spirit of Christ.

Respectfully submitted, James H. Ballard

55. Zeke Crawford presented the Nominating Report. Charles Magnet called for other nominations from the floor. There were none and the report was adopted.

56. Vice Moderator Charles Magnet mentioned that the Committee on Committees Report was not ready and will be brought to the Executive Committee meeting on November 6.

57. Frank Hopkins gave the report on Committee on Place and Preacher for the annual meeting in 1973 as follows:

PLACE: Double Springs (night session)

Naples (day session)
PREACHER: Harold McKinnish
ALTERNATE: Dean Weaver

58. R. P. Hamby presented the report on Committee on Resolutions and expressed appreciation to Ebenezer Church and Mud Creek Church for their hospitality. Report was adopted. Also, recommendations were adopted.

59. Edgar Sinclair was recognized by the vice moderator and called for reinstitution of the fifth Sunday associational meetings.

60. C. H. Greene was recognized and he brought a resolution that our association express complete disagreement that drinking is "socially accepted" by our citizenship in general and that a letter be sent to the editor of the Asheville-Citizen. Resolution was adopted.

61. Frank Hopkins made a motion that the clerk send a message to Brother O. Afton Linger expressing our prayerful concern and best wishes in his time of illness. Motion carried.

62. John Rymer was recognized and spoke in regards to the discontinuation of the fifth Sunday meetings several years ago that it was unconstitutional to conduct the business of the association at these meetings as had been the case and also that the churches were now more involved in organizational meetings and the feeling in general was to discontinue these meetings. Charles Magnet mentioned that this was the reason for discontinuing the meetings and that he had made the motion at the time it was voted to discontinue them.

63. Zeke Crawford presented the report on Christian Literature. Report was adopted.

64. Charles Magnet introduced Alex Booth, Dean of Fruitland Baptist Bible Institute, to bring the closing message.

65. Michael Holt led the singing of the hymn "Higher Ground" and also presented a special medley in song, "If That Isn't Love" and "Had It Not Been."

66. Alex Booth gave the closing message of the annual meeting using Isaiah 40 as a text. Isaiah was to "Cry the Word of the Lord." The Word of the Lord will stand forever and all our tradition, which is temporal, will pass away.

67. Moderator Frank Carter expressed appreciation to the pastors and workers of the association for their faithful support and asked for each of them to put forth an even greater effort this year in our association to advance the kingdom of God. Mr. Carter moved to adjourn and motion was carried. The annual meeting was adjourned with prayer.

GENERAL BOARD

The General Board of the Baptist State Convention of North Carolina has had a very busy year as usual attempting to meet the many financial requests of individuals, churches and associations, under the able leadership of Dr. John Lewis, President.

The requests always far exceed the amount appropriated for the various ministries so the Board goes over each request very carefully in an attempt to make a fair distribution of the funds. Your General Board is entrusted with carrying on all business transactions of the Baptist State Convention during the year when the Convention is not in session, and to make certain recommendations to the Convention which call for convention action, such as budget, etc.

A study committee was appointed to ascertain the relationship between the North Carolina Baptist State Convention and the Baptist Hospital.

The General Board set up goals for the next several years in reference to Sunday School attendance, Cooperative Program giving and the number of baptisms.

It was stated very definitely that over the year there has been a quickening and a greater interest and growth both statistically and spiritually throughout North Carolina that is encouraging.

Ian H. C. Walker

MUSIC REPORT

Our Carol Sing was held this year with Ebenezer Church on the second Sunday in December. We had invited the churches to bring any singing group they wished and to present Christmas music of their choice. This proved to be one of the best attended meetings of our association with the largest number of churches participating.

Your director attended the regional music clinic for this area and received information for the coming year.

Plans were made and executed for the music and devotional periods for the annual meeting last October. This resulted in the formation of "The Singing Pastors' Wives" who sang at the sessions.

We have had one full-time music director to accept a position in our midst during this year, Michael Holt with the Mud Creek Church.

Respectfully submitted,
Swannie Colvard

BROTHERHOOD

During this year we lost from our work a Brotherhood leader who had been a vital part of the Carolina Baptist Association for a number of years. When death took Roy Huggins from us, a friend of mine for the years that I have been in the Carolina, was taken. He will be missed in our work, but that which he did will not soon pass from us. We are indeed thankful for the life and work of Roy Huggins and once again we express our sympathy to Mrs. Huggins and the family.

When one leader passes, the Lord has another to move into the place left vacant. We are indeed happy that Seldon Osteen is being elected to this important place of leadership in the Carolina Baptist Association. Mr. Osteen and his co-workers will help us to do the work that is opened unto us. He is a member of the First Baptist Church of Hendersonville and a strong leader in that church. Will you pray for him as he moves into this place of service.

Respectfully submitted,
Guthrie Colvard

WOMAN'S MISSIONARY UNION

Two new emphases were carried out this year. A Calling Tea in February on the first day of WMU Focus Week was planned by the executive committee for all church directors and assistants.

A Prayer Retreat was held for the associational directors. Each of these meetings was held in the associational office and proved a great blessing.

Our annual meeting was held at Main Street Church in May with Mrs. Bob Compton, missionary from Colombia, South America, as our guest speaker.

All of our directors attended the state workshop at Fruitland and have been most faithful in their participation in the quarterly meetings and promotion of their age-level work.

The association workshop was held at the East Flat Rock Church. There were classes for the age-level directors taught by the local association directors and one visitor, Mrs. James Whitlock from Brevard, who taught Acteen workers. Mrs. Dan Blackwell taught the Mission Action group. This is our first time to offer this course.

We are happy to report that we are eligible to apply for Distinguished Recognition. Our sincere appreciation to everyone who had a part in making this a good year for missions.

Swannie Colvard

CHURCH TRAINING

"Church Training is the Sunday night place to be," it has been consistently advocated. Whether there is general agreement of this statement or not, there is no doubt that church training needs to be thoroughly done some time every week. It is just a matter of when and how. If Christians are to have understanding, right attitudes and skills, training is imperative.

To help accomplish the task of training in each concerned church, "M" Night was the first association-wide effort of the year. Mud Creek Baptist Church was host on November 29, 1971. There were 230 persons attending this meeting and 20 churches represented. Dana Baptist Church won both the Attendance and Achievement Banners with 43 present. A motion picture, NO TIME TO WAIT, was shown to support the theme, "Train to Win." Special feaures were also centered around the theme and specific plans for the year. Music was presented by the East Flat Rock First Baptist Church.

For Youth Night, March 18, 1972, the Sound of Singing Youth of Hendersonville First Baptist Church presented the musical, NATURAL HIGH, at the East Henderson High School auditorium. Miss Gayle Booth, our president, introduced the program and new officers were presented. They were Terry Lowe of West Hendersonville Church, president; Miss Hope Hopkins of Shaws Creek Church, vice president; and Miss Selina Barnwell of Fruitland Church, secretary-treasurer.

Three children won the State Scripture Exploring Drill; Suzanne Duncan and Darla Kay Williams of Locust Grove Church, and Jamie Hill of Fruitland Church. Suzanne and Jamie were three-year winners.

SUNDAY SCHOOL

Our Baptist Sunday Schools exist for the purpose of carrying out the Biblical admonition to teach God's revelation which includes witnessing, teaching and enlisting our people in effective Christian living. This year the primary emphasis has been in the area of the "ReaLife Program." This endeavor was highlighted with an associational ReaLife Clinic in May which was conducted by leaders trained by our convention staff. Many church leaders attended the clinic and received training to enable them to be more effective in their witness in their respective churches.

The work of your director has been in the area of attendance in the convention-sponsored study and additional study and training at Ridgecrest. I have also endeavored to assist the churches when requested to do so. Much credit is due to Mr. Colvard and his staff in the promotion of our Sunday School work.

As we look forward to the coming year, we believe that the Lay Evangelism School can be of untold help to our Sunday Schools. We urge every Sunday School worker in the association to avail himself of this training in witnessing. This offers unusual help in the area of our outreach.

I wish to personally express my appreciation to all of those fine people who have helped to make our Sunday School program effective in our association and to those who shall join hands and hearts to make next year the very best year in our work of teaching the Biblical revelation to our people.

C. H. Greene

MISSIONS COMMITTEE

The Missions Committee has met periodically with our superintendent of missions to discuss and transact needed business matters.

Items that have been considered this year have included the Literacy Workshop, the Mission Advance Weekend and the support of the Migrant Ministry.

The committee voted to pay up to $100 from the Mission Store fund for necessary expenses incurred for the Literacy Workshop conducted by Mrs. W. W. Daves of Gastonia, regional director of literacy missions.

It was voted that up to $400 be used from the store funds to support the Hendersonson County Migrant Ministry the summer of 1972. Funds are to be expended as needed by the committee. It was also voted to support the work in the Adirondack Association in Northern New York for one more year, the twelve months beginning August 1, 1972, in the amount of $50 per month. This is to be expended in two payments of $300 each.

We have sought to see that the needs of the Mission Store have been met and that funds from the sale of merchandise there have been properly disbursed.

Respectfully submitted,
James H. Ballard

MISSION STORE

There are many people in Henderson County who could express gratitude for the Mission Store. Children, who otherwise could not have been clothed adequately, have both clothes and shoes for school. Adults, who because of financial circumstances could not afford new clothes, are able to go about with dignity because of the ministry of the store.

A great number of us have articles of clothing and household goods which we are no longer using, but which would be of value and assistance to others. We would encourage you to take these to the store for their proper dispersal.

The income derived from the Mission Store has been of great assistance to Carolina Baptists in the carrying out of ministries both in our area and in other states.

Mrs. Irma Roberts and her staff are to be commended for their faithful work. Through their efforts the Mission Store continues to be a blessing to many.

Respectfully submitted,
James H. Ballard

SUPERINTENDENT OF MISSIONS

This has been a very busy year forus in the Carolina Baptist Association. I would like to begin by giving you a report of the work that I have done so far as reports and records can give it.

I have preached in churches of the association 40 times. I have spoken 14 other times in the churches. Preached in one revival during the year. I made 44 other visits

to the churches. Mrs. Colvard and I taught in ten mission study institutes and I taught in six January Bible Studies. Led the singing in one church revival. I performed two weddings and helped with one funeral. The things mentioned above could not have been done without the full cooperation and help of Mrs. Colvard.

During the year I participated in seven meetings of our Baptist State Convention work. I also attended three meetings of the agencies of the Southern Baptist Convention. During the year I spoke in five meetings outside the Carolina Baptist Association.

There were many personal and group conferences conducted that we did not list in the above.

To do the work listed, we drove a total of 16,175 miles.

We had a fine World Missions Conference in the association with 25 churches and 25 missionaries participating.

In addition to my work with the association, I have been teaching English and speech at Fruitland Baptist Bible Institute two days per week.

Thank you for your prayers and support. Please call on us when we can be of help to you.

Guthrie Colvard

COOPERATIVE PROGRAM

The Cooperative Program is a part of the tithes and your offerings given through your church. Thus, your dedicated life with a part of your day-to-day labor goes toward witnessing to a lost world.

The Cooperative Program is sharing your love of God through 6,000 state, home and foreign missionaries. Last year they were instrumental in bringing more than 66,000 people to Christ who in turn followed Him into the waters of baptism.

The Cooperative Program is busy training capable leaders by helping students with scholarships in more than 800 Baptist schools with more than 100,000 pupils around the world.

The Cooperative Program is ministering to the needs of the sick through 21 Baptist hospitals and 105 clinics in many nations. You helped more than 1,000,000 patients last year who could not pay the cost of their care. The Cooperative Program aids in bringing shelter, food, clothing and other necessities of life to 8,000 homeless children plus more than 2,000 elderly people through Children's Homes and Homes for the Aging throughout the world.

Last year 1,020 Baptist churches in North Carolina increased Cooperative Program giving by 10 percent or more over what they contributed the previous year. Did the church where you serve increase this much?

Will you do two things?

1. Will you lead the church where you serve to make a worthy increase in Cooperative Program giving?

2. Will you pray for your missionaries and other Cooperative Program causes each day?

Respectfully submitted,
Millard Moncrief

NORTH CAROLINA BAPTIST HOSPITAL

"A Medical Center ministering with skill and understanding" is not only a slogan but a goal which Baptist Hospital seriously strives to attain.

The distinctiveness of our Hospital Ministry is in its care for charity patients and in the type of service rendered to all patients and to the people of our state, our nation and around the world.

The quality of direct patient care is a specialized type. Highly skilled specialists in almost every area of medicine and elaborate equipment for diagnosis and treatment are available in our Baptist Hospital. It is one of only 108 such medical centers in the United States. These are all offered in a hospital where there is a Christian concern for each patient.

The educational ministry of the hospital extends around the world. Graduates of Bowman Gray School of Medicine serve in 85 counties of North Carolina, in 47 states and Washington, D. C., and in 25 countries. Alumni of the School of Pastoral Care serve in almost every state and in 39 other countries.

Our hospital continues to serve patients who cannot pay. In 1971 charitable allowances amounted to $1,370,000. The Mother's Day Offering of $371,000 helped make this charity work possible.

The new patient Tower should be completed and in full use by January 1973. A two-story unit housing the Emergency Room and Out-patient Clinic is scheduled for completion in 1973.

Carolina Baptist Churches' Mother's Day Offerings reported for January through July:

	1971	1972
Churches contributing	42	38
Offering	$5, 076. 83	$4, 180. 40

BAPTIST HOMES FOR THE AGING

In our Baptist Homes for the Aging this has been the best year we have had in our twenty-one years. The special offerings for the Homes and the cooperative gifts have been almost 30% of the total operating budget in the care of the residents and the patients, with 20% coming from the offering and 10% through the Cooperative Program. The majority of the residents in the Homes are persons with real financial needs. These gifts are a lifeline to the residents and they could not be maintained without them.

The greatest calling to us is to continue to increase the special offerings from year to year and keep pace with the needs of the residents who depend so greatly upon it.

Our Baptist Homes now operate five resident Homes, with two located in Winston-Salem, and one each in Albemarle, Hamilton and Yanceyville. These Homes have a capacity for 162 residents. In addition, there is a Nursing Care Unit located in Winston-Salem with a capacity for 63 patients.

In May, we dedicated the York Wing of the Nursing Care Unit. This wing, accommodating 18 additional patients, was completed in November, 1971, and named in honor of Judge and Mrs. William York of Greensboro. He and Mrs. York gave $80,000 for the construction of this new wing and the additional money needed was raised by the trustees of the Homes. With this new addition, the Baptist Homes have been able to receive some few persons, on a limited basis only, directly as patients. The majority of the beds in the Nursing Care Unit are used for the residents of the five Homes, when nursing care becomes necessary. The nursing operation has been broadened to include a ministry to the aging sick. We hope to be able to receive more patients in the year ahead.

Ministry to an older person is a direct ministry to Christ and is one of the finest things that North Carolina Baptists are doing. Be glad that you are a Baptist and be grateful for the part that you are having in making the life of an aging person more abundant and more secure.

Respectfully submitted,
Homer Crain

BAPTIST CHILDREN'S HOMES

The purpose of the Baptist Children's Homes is to provide a strong child care and family service ministry in an effort to meet the needs of those who turn to us for assistance.

Broyhill Home has served to strengthen all of our services to children and members of their families in the Western area of the state. This facility has already blessed the lives of twenty-nine children who live there. The children have adjusted readily to school, church and community life in general. They are happy with the beautiful and comfortable cottages in which they live and with the care afforded them by members of the staff.

We now have under construction two additional cottages at Broyhill Home. One is being made possible by the people of the Haywood Baptist Association - the other by members of the J. E. Broyhill family of Lenoir for whom the campus is named. When completed in December of this year we will have four cottages with a capacity for slightly over fifty children. Remaining to be built is the administration building and a home for the local superintendent.

The Maternity Home in Asheville has been in operation for two years and has met a great need in the lives of the more than thirty girls with whom we have worked. Many lives have been changed for good for time and eternity as a result of this ministry.

Contributions through the Cooperative Program, the Thanksgiving Offering and special gifts are essential to our continued operation and are received with deep appreciation. An increasing number of friends are finding rewarding stewardship opportunities through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children.

Ask God what your part is. PRAY - GIVE - SUPPORT.

Respectfully submitted,
Dan Blackwell

TOTAL	$16,725.50

Your committee presents this budget with a deep awareness of the importance of the associational mission program to the outreach of the kingdom of God in our area. We are likewise aware that the success of this program depends upon the continued support of the churches by their prayers and gifts.

According to the procedure of the Baptist State Convention, the amount we can expect to receive from them will be less than the $1,932.00 we received last year. Consequently, our response must be greater.

We can easily care for this need if each church will give 3% of its undesignated gifts. This may be too much to expect in every case this year, but we are asking that you increase your giving to Association Missions by 15% over the past year. With a prayerful effort on the part of every church our obligations will be met.

Respectfully submitted by your Finance Committee,
Frank B. Hopkins, Chairman — George Johnston
Homer Baker, Treasurer — Ray Jones

EXECUTIVE COMMITTEE

The Executive Committee met twice during the associational year. The third meeting was cancelled because the Moderator and Vice-Moderator could not be present.

At the November meeting Mr. Colvard brought a request from the finance committee that we ask for $2,500 from the Baptist State Convention to assist with the support of our missionary. This motion was carried.

A report was given on the Mission Store concerning sales, expenses and balance on hand. Mr. Robert Linder stated that the Migrant Council of Henderson County has closed their clothing center permanently, and they would encourage the support of our Mission Store on Seventh Avenue.

Mr. Colvard reported that Mrs. Rymer was having to work extra hours because of the increased workload brought about by preparing the reports for the annual meeting and getting these and other statistics ready for the printers to print the annual and also, additional clerical duties in connection with the World Missions Conference. A motion was made and passed to pay Mrs. Rymer for the additional hours of work.

A letter of resignation from Zirconia Baptist Church to withdraw from our association was read by Mr. Colvard. The letter was honored and the Zirconia Baptist Church was removed from our associational roll.

A report was given on the expenses of the World Missions Conference. There was a deficit after all expenses were paid. It was suggested that we give each missionary $25.00 for a love offering. This amounted to $625. A motion was made to take up to $325 from the Mission Store Fund to take care of the deficit and shortage in the love offering. The motion was carried.

Mrs. Rymer and Mr. Colvard called attention to the new tables and chairs and adding machine in the association office. A letter of thanks was sent to the individuals who made these things possible.

Mr. Colvard informed the Executive Committee that the association saved almost $100 on the printing of the minutes for this year by changing printers.

Mr. Colvard gave a report concerning his and Mrs. Colvard's busy activities in teaching THE BOOK OF JOB and the Home Mission study book, CATALYST IN MISSIONS. Mr. Colvard also preached at Pleasant Hill Church for a number of weeks. He told of plans being made for the Lay Witnessing School on October 30 - November 3, 1972. Several churches have already committed themselves and two directors have been secured, Jim Powell and Billy Rivers.

If possible, please see that your church sends a representative to each executive committee meeting.

Respectfully submitted,
Frank Carter

EVANGELISM

It is exciting what the Holy Spirit is doing through the ministry of evangelism in our state. There have been 6,000 youth and adults in 425 churches participating in Lay Evangelism Schools or Pastor's Retreats. Forty-two associations already have confirmed dates for schools. We thank God for this tremendous response to the important emphasis of lay witnessing. This will be a continuing effort in future years.

Over 2,400 pastors and lay persons attended the 26th Statewide Evangelism Conference in Fayetteville last February.

Almost 20,000 youth, pastors and adult leaders attended the 2nd Statewide Youth Evangelism Night on August 18, at the Greensboro Coliseum. It is evident that God is working through Christian youth today to share His Gospel in a thrilling, significant manner.

The 27th Statewide Evangelism Conference will be February 5-7, 1973, at Ovens Auditorium, Charlotte.

The date for the Lay Evangelism School in the Carolina Association is October 30 through November 3. A school will be held at the First Baptist Church of Hendersonville and the First Baptist Church of East Flat Rock. A number of churches are committed to participate in these schools.

The pastors of our association approved a recommendation of your Committee on Evangelism to plan for an area-wide evangelistic crusade sometime next summer. Some committees have already been appointed to begin planning for the crusade and others will be appointed soon. We earnestly request your prayers as we continue to plan and work for this crusade.

Remember to pray for the leadership of the Holy Spirit in the total ministry of evangelism in our association, our state, our nation and our world.

HISTORIAN'S REPORT

"Comparisons are odious." So says an old proverb. But not always. It might be well for us to make some comparisons as to the gains or losses, comparing those of the average of a four year period (1968-71) with the record of the last year of which figures are available.

THE RECORD: In church memberships we have gained 280 while dropping 8 in the number of baptisms; in Sunday School enrollment we have gained 63, but lost 235 in average attendance; in Church Training we have lost 122 in enrollment, but gained one in average attendance; in our mission work we have advanced $20,954 and $3435 in giving through the Cooperative Program; the WMU record is a loss of 173; the Brotherhood is a gain of 35; while the Music Ministry shows a gain of 148.

This is the record. Of course, there are some disappointments. In the matter of Sunday School attendance a comment by Dr. Carl Bates, referring to Arthur Flake's principles of BUILDING A STANDARD SUNDAY SCHOOL, seems worthy of mention: "The practice of these principles made us and the sooner we get back to them the better." The current issue of the Biblical Recorder shows that in the first half of the present calendar year, churches of our association contributed $50,625.12 through the Cooperative Program, but at the same time reveals the fact that 20 of our churches had no part in it.

RESIGNATIONS: The following resignations have occurred since the beginning of the associational year: Rev. Bobby Graham at Fruitland; Rev. Dan Willis at Pleasant Hill; Rev. Harold Sprinkle at Brightwater and Rev. Steve Combs as Associate in Administration and Education at Hendersonville First. In this connection it is of interest to note the retirement of Rev. David Mashburn as Educational Director at Lumberton First Baptist Church and formerly in a similar connection at Hendersonville First; also, Rev. Erskine Plemmons as Superintendent of Missions in the Buncombe Association, and formerly in a similar position in our association.

NEW PASTORATES: Rev. Jack T. Stafford has assumed the pastorate at Horse Shoe and Rev. Darrell Rhodes at Jones Gap. Mr. Michael Edward Holt is the new Minister of Music at Mud Creek Church. Miss Lucianne Linnenkohl is the Director of Christian Education at East Flat Rock First. Rev. O.A. Linger, an instructor at Fruitland, is serving as Interim Pastor at Fruitland. He is being congratulated by his friends for his own textbook on administration which he is using in his classes at Fruitland. Rev. Homer Baker is serving as interim pastor at Pleasant Hill.

DEATHS: We deplore the passing of the following among others: Rev. James Walker, a former missionary to South Africa, who had made himself a valuable servant among several churches of the association; Dr. Broadus E. Jones, former pastor of Hendersonville First, was considered one of the great pulpit orators in the Southern Baptist Convention; Mrs. J.C. Canipe, the beloved helpmate of Dr. J.C. Canipe who was a former president of the Baptist State Convention of North Carolina and founder of the Fruitland Baptist Bible Institute; and Mr. Roy Huggins, an invaluable advisor and director of the associational Brotherhood.

ORDINATIONS: The following ordinations to the Gospel Ministry have been reported: Rev. Carl R. Hadley and Rev. Ron Bower, both of the Mud Creek Church; and Rev. Gil Crouch of the Main Street Church.

Meetings of association-wide interest were the World Missions Conference, "M" Night, the Carol Sing, Church Library Workshop, ReaLife Conferences, Vacation Bible School Clinic, WMU Leadership Workshop and Literacy Workshop.

ANNIVERSARIES: Recently Rev. and Mrs. O.S. Ulmer celebrated their golden wedding anniversary. Rev. R.P. Hamby celebrated his fiftieth year in the ministry. The Cedar Springs Church celebrated its one-hundred-twenty-fifth anniversary and Shaws Creek Church will celebrate its centennial next year.

SINGING YOUTH: The Sound of Singing Youth of Hendersonville First, more than 100 strong and under the leadership of Choir and Youth Director, Aubrey Edwards, recently won much publicity and praise in their missionary tour in northern states centered around Bridgeport, Connecticutt. On their return trip, they had the honor of singing from the celebrated steps of the United States Capitol Building.

SPECIAL MENTION: Rev. Homer Baker, Rev. George Roberts and Rev. Wade Worley conducted a tour of the Holy Land with many members of the various churches participating.

Ground breaking was held in December for a new building at Fruitland Assembly to replace the building burned last year. Work has gone forward rapidly and dedication services are being planned for November 28, 1972.

Dedication services have been held by the Locust Grove Church for the completion of a new sanctuary.

Mud Creek Church recently burned an $85,000 note on the sanctuary and educational building, while Ebenezer Church burned a $35,000 note on the new church building.

The 1971 minutes of our association reveal the facts that twelve churches were without pastors and that eleven churches did not make the annual reports to the association.

CHRISTIAN EDUCATION

We live in an era of growing tension. The tempo of modern life is not conducive to rest and relaxation, and man is afflicted with many lurking fears and uncertainties that our forefathers never knew. Nothing seems to be stable. Government, business, labor and society are all being affected by revolutionary ideas.

The Bible speaks directly to this present troubled world. So there are efforts being made to confront this condition. The following are some.

Mars Hill College has a program called the Christian Movement which is an attempt to bring students of all denominations together for the purpose of fellowship and growth in the service of Christ. At present there are 350 students participating.

ACTIVITIES: Pre-school Retreat - for the freshmen and transfer students. This is the time for adjustment to the campus and getting acquainted with other students, through informal gatherings, hikes, devotions and talent show. The Campus Coffee House serves as a gathering place for students and is often used for fellowships. Supper meetings are held regularly, for the purpose of business, fellowship and worship. Sing and Share Fellowship is held each Thursday night and serves as a vehicle for the students to share their faith in word and song. Anyone is welcome to attend whether student, faculty member or visitor. Folk Team and Rock Group is a new phase of work, and it sponsors folk teams and a Christian band. They are available for use in churches, coffeehouses, and rallies and other areas.

MISSIONS: Juvenile Evaluation Center at Swannanoa - Students spend each Saturday afternoon working with the boys and girls at the Center in recreation and forming fellowships. Students visit the T.B. Center at Black Mountain where they contribute to the Sunday Services by teaching Sunday School and by providing music for the morning worship. Following the service the students visit the patients in their rooms. Students visit the Veterans Hospital at Oteen and conduct morning worship for the sick and lend encouragement in many ways. Teams of five to six students are sent to interested churches to spend a weekend in revival services and in youth activity. This group consists of speakers, fellowship directors, song leaders and accompanists.

FOREIGN MISSIONS

"Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost."

The Great Commission of our Lord has been the marching orders for the Foreign Mission Board of the Southern Baptist Convention since its formation in 1845.

This past year has been no exception; as of August 17, 1972, Southern Baptists had 2,517 missionaries serving in 74 countries around the world. This number is broken down as follows: Career Missionaries - 2,212; Missionary Associates - 172; Missionary Journeymen - 131; and Special Project Personnel - 2.

Southern Baptists responded warmly in support of their missionaries, giving of self, prayerful concern, and finances. Missionary appointments increased by almost 25 percent over the previous year. Cooperative Program gifts grew more than 7 percent. The Lottie Moon Christmas Offering reached an all-time record.

Tragedy struck during mid-year when missionaries Paul and Nancy Potter were murdered in their home in the Dominican Republic. At the beginning of 1972, Mavis

Pate, missionary nurse in Gaza, was killed by terrorists' bullets as she traveled with missionary friends.

Although Southern Baptists can be justifiably proud of their efforts in foreign missions during the past, the need still exists very strongly for personnel dedicated to fulfilling the Great Commission in other lands and for Southern Baptists support of these persons.

Jimmy Cox

HOME MISSIONS

I believe in Home Missions. The light that shines farthest shines brightest where it is. Home Missions is not exclusive of Foreign Missions, rather it is the first step of it. This is implied by Acts 1:8b, where Jesus reminds us that we are his witnesses "both in Jerusalem, and in all Judaea, and in Samaria, and unto the uttermost part of the earth." At times we tend to forget our obligation at home. Our Christian responsibility at home enlarges all the time with the increase in crime and violence, alcoholism and drug abuse, racial tension and family problems, and war and economic stress.

Missionaries with the Home Mission Board number 2,229. Of this number two-thirds are jointly supported by state conventions - one-third are supported by the Home Mission Board. There are 909 who serve as chaplains - 573 in the military; 61 in Veteran's Administration; 172 in hospital chaplaincy; 84 in institutional and 19 in industrial chaplaincy.

960 students served as summer missionaries - 693 sponsored by the Home Mission Board and 267 by the BSU. More than 900 are expected to be appointed in 1972.

Mission leaders in language work led in starting 90 new congregations among Arabs, Hungarians, Rumanians, Spanish, Slavic, Portuguese, Estonians, and Yugoslavs.

More than 200,000 copies of pamphlets informing Southern Baptists of how to relate to other faiths were distributed by the department of interfaith witness.

Income for the Home Mission Board, primarily received from the Cooperative Program and the Annie Armstrong Easter Offering, continues to exceed $15 million dollars, but what we give each year is less than 3% increase. Prices rise while our giving decreases. Let me encourage you to increase your Cooperative Program giving and your goal for Annie Armstrong Easter Offering.

Respectfully submitted,
Dean M. Weaver

STATE MISSIONS

Through State Missions our churches can promote and participate in mission work beyond the local congregation. Such mission work includes: work at Cherokee and Pembroke, promotion and coordination of World Mission Conferences, support of part-time chaplaincies in several correctional institutions, and assistance in witnessing to and enlisting for service Orientals and Spanish speaking peoples. A specialized ministry to the deaf includes evangelizing, teaching, and counselling.

Also included is our resort ministry, inner city ministry, and a ministry with other

races. Fruitland Baptist Bible Institute is a part of State Missions.

Through State Missions new churches can be helped by loans and grants, needy churches are given financial aid, and pastors can be helped through annuity supplements.

State Missions is too big for any one church, but it needs every church.

MIGRANT MISSIONS

The migrant ministry in Henderson County did not materialize this year. Although efforts were made to provide this ministry, it just was not possible.

One factor was lack of migrants, as each year we have fewer coming to our county. For instance, last year we had between 500 and 800. This year, so far as we could determine, there were less than 400. It is true that 400 persons would be a good congregation if assembled together, but migrants are scattered over the county.

Secondly, we were not able to secure a migrant minister. There were at least two men contacted, but neither was able to serve. We are thankful for two members of the First Baptist Church of Hendersonville, Brother Finley Pace and Reverend Garland Franklin, who went to the migrants with God's Word each Sunday. At this writing they have held 38 services with a number of decisions recorded.

The First Baptist Church of Hendersonville, led by Mrs. Sammy Reese, worked toward a Vacation Bible School for the migrant children, with 10 adults and 30 or 40 youth offering to help. They provided 75 health kits for the migrants and were enthusiastically looking forward to sharing Christ, but were not able to locate enough children to have a Bible School.

The Migrant Council of Henderson County continues to offer social and medical ministries, plus many hours of planning for future benefits for the migrants. For their concern and efforts we are very thankful.

AMERICAN BIBLE SOCIETY

The Bible speaks to the heart of man, whether African, Asian, American or European. And it is the sole purpose of your American Bible Society to provide the Book to men, women and children everywhere in a language they can understand and at a price they can afford to pay.

This simple statement of the Society's purpose tells us that it is the mission of the Society to bring God's Word to all people everywhere. This is an urgent mission to the Society because they are convinced that the redemptive power of God is released through the reading of the Word and that, for multitudes of people, their first and only chance to come face to face with Christ may be through the pages of the Word of God.

The American Bible Society continues to carry on its translation, printing and distribution of the Scriptures. During the year of 1971, the Society held translators'

institutes; started a project for translating the New Testament into contemporary Chinese and made plans to edit an exhaustive dictionary of New Testament Greek.

By the end of 1971, worldwide distribution of the New Testament in the TODAY'S ENGLISH VERSION had exceeded 31 million copies. Distribution of complete Bibles to the Armed Services, through chaplains, reached 54,490. In addition there was distribution to the blind, to Spanish-speaking churches and on the college campus. During this same period worldwide distribution continued at an increased rate.

Southern Baptist leadership considers the American Bible Society an essential part of their worldwide missionary program and believes in the importance of giving to the Society.

ANNUITY BOARD

On March 1, 1972, Darold H. Morgan took office as president of the Annuity Board, succeeding R. Alton Reed who had been the president of the Board for 19 years. The change in leadership occurred with the Board having record funds held in trust of more than $292 million, as of December 31, 1971. The funds are held in trust for 36,000 retirement plan participants now active in churches and denominational agencies.

Moreover, the Board paid out 25 percent more in benefits to 7,500 annuitants last year than their contracts required. Called "13th checks," these extra benefits were paid twice in the year.

The same good yield on investments permitted extra benefits to active members of the various plans, adding value to their retirement fund being built up in the form of Good Experience Credits.

The trouble is that too many of our faithful pastors and church personnel, who have had to give up their work because of age or ill health, didn't even get the "1st check" much less the "13th check" and far too many of our active men and women have no annuity plan to "build up." All because so many churches have not caught the vision of showing appreciation to faithful servants of God by providing a protection plan while they are active.

In Carolina Association only 30 of our churches provide protection for their pastors. Thus, only about half of our people are getting in on the benefits they could be getting.

God help us that we, who are so concerned with a program of helping a world of people with their needs, material and spiritual, will not have to say of ourselves what the speaker said in Song of Solomon 1:6, "they made me keeper of the vineyards; but mine own vineyard have I not kept."

Frank B. Hopkins

TEMPERANCE AND PUBLIC MORALS

In all the teachings of the New Testament no matter is more clearly defined than the believer's responsibility to live a chaste and temperate life. In Titus 2:11-12 it is spelled out for us, "For the grace of God that bringeth salvation hath appeared unto all men, teaching us, that denying ungodliness and worldly lusts, we should live

soberly, righteously and godly, in this present world." This would be the end of the matter as far as most of us Christians are concerned if it were not also our responsibility to use our influence for righteousness in our society. God help us to dedicate ourselves to this pursuit.

The Christian Action League of North Carolina should be commended for the work they are doing in this regard. They report victories won this year. The most outstanding is the favorable decision from the Supreme Court of North Carolina in the Mecklenburg Liquor-by-the-Drink case.

Many victories have been gained in primary elections and others are anticipated in the general election in November. Thousands of letters were mailed giving the voting records of candidates up for re-election.

At the annual meeting of Trustees of the League, a set of LEGISLATIVE PROPOSALS IN RELATION TO HIGHWAY SAFETY was adopted. It was presented to the Highway Safety Sub-Committee of the Legislative Research Commission. At the meeting the proposals were endorsed in their entirety by Colonel Guy, the Commander of the North Carolina Highway Patrol.

We urge you to get a list of these proposals and discuss them with the candidates for the House and Senate from your district. Ask for support of these proposals in the 1973 General Assembly.

Let us support with our prayers and our money those who are "doing something" about the evils around us.

Respectfully submitted,
Frank B. Hopkins

CHRISTIAN LITERATURE

The local church is to provide the best possible program of education for each member. The quality of education in the local church will be in relation to the material and literature that the church uses. In selection of literature, we should keep in mind the objectives of the Church Literature Department as outlined by our Sunday School Board.

1. To edit, produce, and distribute to churches the general and curriculum materials that will help them to carry forward a balanced program of Bible teaching and Christian training.
2. To edit, produce, and distribute study and reading materials which will help persons become aware of God as revealed in Jesus Christ, respond to Him in a personal commitment of faith, strive to follow Him in a full meaning of Christian discipleship, live in conscious recognition of the guidance and power of the Holy Spirit, and grow toward the goal of Christian maturity.
3. To produce and distribute a weekly series of church bulletins, maps, and stencils edited by the Executive Committee of the Southern Baptist Convention.

Through the careful selection of materials from the variety provided by our Sunday School Board, and the use of our own state paper, the BIBLICAL RECORDER, any local church can provide its members the finest quality of Christian education.

Zeke Crawford

RESOLUTIONS

BE IT RESOLVED:

1. That we express our undying gratitude to our Eternal and Triune God for His unfailing mercies in sparing our lives, and for pouring out His manifold blessings upon us.

2. That we voice our appreciation to our Moderator, Brother Frank Carter, and his assistants for a task well done in this the ninety-fifth annual session of the Carolina Baptist Association.

3. That we record our thanks to Mrs. John F. Rymer as our most efficient and faithful associational secretary for her splendid work in the office, her punctual service in typing all the reports, and her promptness in all correspondence and mailings.

4. That we register our deep appreciation to the Superintendent of Missions, Brother Guthrie Colvard and his wife, Mrs. Swannine Colvard, for their untiring efforts and unflagging zeal in all their missionary labors.

5. That we express our grateful thanks to all the program personnel who have labored to make this session a success and blessing.

6. That we record our thanks to the Program Committee for a program well planned and its faithful execution.

7. That we go on record as expressing our deepest thanks to the pastor and the members of the Ebenezer Church for the use of their lovely facilities in the night session and to the pastor and the members of Mud Creek Church for the use of their commodious facilities and for the bountiful food served us during the day session.

RECOMMENDATIONS

1. We recommend urgently that every church in our bounds conduct a well-planned Vacation Bible School of at least two full weeks duration and that a full report be made immediately to the director of Vacation Bible School in the association.

2. We recommend that the Program Committee for the 1973 session shall make provision for a well-written and full-summary report of all these Vacation Bible Schools which shall be published in the Advance Book of Reports and the Annual Minutes.

3. We earnestly urge each church to elect a local church historian, and that such person shall collect, assemble and preserve for safe keeping all the old records of such church and that these be loaned temporarily to The Baptist Historical Collection of Wake Forest University, Winston-Salem, N.C., for making either Zerox or micro-film copies. This is a free service conducted by Dr. John R. Woodard, director of the Historical Collection.

MORNING SESSION
Naples Baptist Church

25. The session was called to order by the moderator. Lamar Wakefield read some scriptures from I Peter and led in prayer. John Gage led in the singing of the hymn "Come, Thou Almighty King."

26. Guthrie Colvard called for recognition of visitors outside our area. The welcome was given by host pastor, Rex Collins. The report on persons registering was incomplete at this time.

27. Gary Harthcock presented the Foreign Missions Report and moved the adoption of the report. The report was adopted. Mr. Harthcock spoke to the report calling attention to the great price some of our missionaries must pay to carry the gospel to other countries. Four of our missionaries have paid with their lives in the past year. The Foreign Mission Board is asking for 800 more missionaries. Mr. Harthcock pointed out an error in the newspaper recently which reported the Southern Baptist Cooperative Program as having a surplus of funds. Guthrie Colvard said this newspaper report was an error. He called headquarters in Nashville to find out if this wasn't error, and they said it was.

28. Rex Collins presented the Home Missions Report. Report was adopted.

29. Gary Harthcock presented the State Missions Report in the absence of Alex Booth. Report was adopted. Mr. Harthcock spoke to the report pointing out the continuing need of our state efforts. 31. Frank Hopkins presented the Treasurer's Report in the absence of Sam Padgett. Report was adopted.

32. Frank Hopkins presented the Financial Report for 1973-74. He mentioned the executive committee voted at their last meeting to delete some pages from the minutes this year to cut costs of printing. Reports from the institutions and agencies will be deleted. Also, the constitution will not be printed each year unless an amendment is made. The Financial Report was adopted.

33. Frank Hopkins presided for Frank Carter as he presented the Executive Committee Report. Report was adopted.

34. Zeke Crawford recommended that our association go on record as being against liquor-by-the-drink. The recommendation was made into a motion. Motion was carried.

35. The moderator called for nominations from the floor for moderator, vice moderator and treasurer. Frank Hopkins was nominated for moderator. The nomination was seconded and the vote was unanimous. Junius Huggins was nominated for vice moder-

ator. He declined the nomination. Dean Weaver was then nominated for vice moderator. A vote was taken and Dean Weaver was elected vice moderator. Sam Padgett was nominated again for treasurer and was re-elected to office.

36. Guthrie Colvard introduced John Gage, the new minister of music and youth at Etowah, to the association. Lamar Wakefield, pastor of Fruitland, was presented to the association. Mrs. Rose Wakefield was introduced as the new BYW Director. The new pastors were asked to stand and be recognized.

37. George Roberts made two motions. His first motion is that we receive an offering today to put an advertisement in the newspaper stating that we as an association go on record against the liquor-by-the-drink referendum. Frank Hopkins stated a lack of funds in the state office of the Christian Action League will cause some of the advertising to be cut back unless more funds come in. The motion was put to a vote and carried. Mr. Roberts' second motion was that we go on record as an association favoring the school bond issue. Guthrie Colvard stated the importance of making a distinction between the two issues. He said we do not want to be misunderstood that we advocate voting "No" on all the issues involved in this election. Harold McKinnish reminded everyone that the issue of water pollution is also being voted upon. After some discussion, Sam Padgett made an amendment to the motion that we go on record as being in favor of the school bond issue and instruct our people to vote according to the dictates of their own conscience. The motion carried.

38. George Roberts presented the Evangelism Report. Report was adopted. He stated that plans are going to be made for an areawide crusade. Dean Weaver asked for the floor. He made a motion that we have an areawide crusade in August 1974, using the Stahlneckers as program personalities. After a second and some discussion the motion was carried.

39. Ian Walker asked to say a word in behalf of the General Board. Mr. Walker mentioned the needs of higher education and the need to support our Baptist colleges. He said the presidents of our colleges try their utmost to keep the colleges distinctively Christian and to maintain a Christian atmosphere.

40. C.F. Jervis presented the Historian's Report. He noted the death of Arnold Edney since preparing the report. Mr. Jervis asked that Noah Hollowell, Arnold Edney, Curtis McCarley, N.B. Phillips and Broadus Wall be given recognition for their faithful service to the Lord's work. The vote was in the affirmative to give these special recognition. Report was adopted.

Mr. Bruhn presented Mr. Jervis with a copy of the book, HISTORY OF THE BAPTISTS OF NORTH CAROLINA. Mr. Bruhn spoke very dynamically calling several mottos to our attention and stressed our own Baptist motto "Together We Advance." He admonished us to be careful that we are not more Baptist than we are Christian and more Southern than Christian. He remarked that the Cooperative Program is not a scheme to raise money. It is a program to do together what we cannot do alone.

42. An offering was taken for the fight against liquor-by-the-drink. It amounted to $121.25.

43. John Gage led in the singing of the hymn "It Is Well With My Soul." Michael Holt sang "Wherever He Leads I'll Go."

44. Robert Hamby called for a short meeting of the Committee on Resolutions after lunch.

45. Harold McKinnish gave the annual sermon. "A Great Beginning" was the title

of his message, and he used Acts 1:1-11 as his text. He commented that the ascension of Christ was the beginning, not a conclusion, and that the church from that day until now must be busy about the Father's business.

46. James Ballard dismissed the morning session in prayer, and the session was adjourned for lunch.

AFTERNOON SESSION

47. Frank Carter asked the newly elected moderator, Frank Hopkins, to preside over the afternoon session. Mrs. Alex Booth was in charge of the worship period. 58. Zeke Crawford presented the Nominating Report. Without any other nominations from the floor, the report was adopted as read.

59. R.P. Hamby presented the Committee on Committees Report and asked Mrs. Dan Blackwell to read the report. Two minor changes were made. George Roberts was made chairman of the Committee on Evangelism, and Frank Carter was made chairman of the Committee on Finance. Report was adopted.

60. Jack Stafford gave the report on Committee on Place and Preacher for the 1974 annual meeting as follows:

PLACE: Locust Grove (night session)
Saluda (day session)

PREACHER: Charles Magnet
ALTERNATE: Forest Maxwell

61. Robert Poulsen presented the report on Committee on Resolutions and called for special prayer for our nation in these days of crisis we are facing. Mr. Poulsen led in the prayer.

GENERAL BOARD

This year has been, as usual for the General Board, a busy one with many, many requests for financial aid from churches, individuals and associations. All these point up to the Board's absolute dependence on the faithfulness of the local churches. Great things are accomplished through cooperation and so the key word to the culminating effectiveness of the General Board of the Baptist State Convention of North Carolina is the cooperation of all the churches.

Many churches are facing up to the challenge of the day with a spirit of concern and the Cooperative Program giving is up 10.9%.

Your General Board is entrusted with carrying on all business transactions of the Baptist State Convention during the year when the convention is not in session, and to make certain recommendations to the convention which call for convention action, such as budget, etc.

One of our greatest undertakings will be a Convention Conference Center for adult leadership training. Asheboro is located near the center of the state and this is where this training center building will be located at CaRAway. It will be composed of a chapel, conference room, lounge and at least forty-eight bedrooms. An architect is in the process of drawing up plans for the steering committee.

There has been a steady growth both statistically and spiritually in the Baptist churches in North Carolina to which God be the glory. The increasing involvement of the lay Christians in actual personal witnessing and taking places of responsibility in the leadership in the convention and the local church is encouraging.

Respectfully submitted,
Ian H.C. Walker

BROTHERHOOD

The Brotherhood Department Program of the Southern Baptist Convention is an effort to enlist men and boys in support of missions and education in the local church and to the ends of the world.

Here in our Carolina Baptist Association we are seeking to be of help to the churches in enlisting our men and boys in a cooperative effort. It has been my pleasure, as director, to meet with men in a number of the churches and discuss with them their opportunities in this work

Brother Frank Hopkins is doing an excellent job with the Royal Ambassadors. During this past year he has been leading in leadership training on the local and associational levels.

The track meet program has been very good. A number of churches have taken part in this, and our association was well represented at the state meet at Gardner-Webb College.

Please call on Mr. Hopkins or myself if we can be of help to you in any way.

Respectfully submitted,
J. Seldon Osteen

WOMAN'S MISSIONARY UNION

We were admonished in our WMU watchword this past year, "Ask of me, and I will make the nations your heritage, and the ends of the earth your possessions." The ladies of the Carolina Association have "asked" in their private prayers and at two prayer retreats, one at Fruitland and the other at Tryon.

The age-level directors have been so faithful in preparing themselves through training... all of them attended the Fruitland workshop and some attended Ridgecrest. Quarterly associational meetings were held for the executive committee, the BYW and Acteens. The other age-level groups met several times during the year for special activities.

Mrs. Boyd Sutton, our own foreign missionary who was home on furlough from South America, was the speaker on two occasions with our youth.

On February 11, a tea was given for the Associational WMU by the ladies of Fruitland Church.

Our annual meeting was held at Brightwater Church with Mrs. Knolan Benfield of Morganton as the speaker of the evening.

I attended the state meeting in Raleigh and received for you the Distinguished Recognition as a result of your faithful efforts during the year.

We have been challenged by our southwide and state workers to take some Giant Steps during the coming months by organizing new units of work, adding new members and getting more members to subscribe to our magazines. These goals we gladly accept and pledge ourselves to make more effort to ENLIST and ENLARGE.

Respectfully submitted,
Swannie Colvard

CHURCH TRAINING

This has been a good year for Church Training in our association. "M" Night was well attended with nearly 300 present. The speaker was Reverend George Williamson of Hudson, North Carolina.

Youth Night was held at West Henderson High School with an attendance of 175. The Jo San Singers of Atlanta, Georgia, did a wonderful job in presenting the Gospel in song. At the close of the service, the youth officers were presented.

Two young ladies in our association were four-year winners in the State Scripture Exploring Drill: Jamie Hill of Fruitland Church and Suzanne Duncan of Locust Grove Church. Also, Morris Little and Scott Little participated in the tournament on the state level. We are proud of our youth.

Plans are being made for an Associational Training School, Youth Missions Fair, and the best Youth Night ever.

For centuries, Jesus' people have honored Sunday as the holy day. Although all days are "holy" - for time is "holy" - Sunday is a special day because it was given by God as the "Lord's Day." Southern Baptists need to rediscover the excitement, inspiration and joy of Sunday Night being a part of the Lord's Day. Wouldn't it be thrilling if 35,000 churches and 11,000,000 Southern Baptists really caught a vision of Sunday night being the capstone for the Lord's Day?

Church Training believes in the church, Sunday, and Sunday night. We believe it so strongly that the Church Training Program for 1972-73 and 1973-74 will revolve around the theme, "Church: The Sunday Night Place."

To make a difference... TRAIN, it's the Christlike thing to do.

Respectfully submitted,
Jimmy Cox

SUNDAY SCHOOL

During this past year we have had some reports of growth in some of our Sunday Schools, and we believe that this could mean that we can have much more growth in the year that is just ahead of us.

We are planning two events that should aid us in building better schools in our churches. The first is a Teacher Improvement School to be conducted on an associational level, and the other is a plan to enlarge the organization and staff in each church.

Our new associational Sunday School Director is Allen Jewett, and we believe that he will lead us in a fine program of growth.

We express our thanks to all those who have led us in the past, and we hope to build upon that which they have done.

Respectfully submitted,
Guthrie Colvard

VACATION BIBLE SCHOOL

In January we sent seven workers to Wingate College to the State Vacation Bible School Clinic. The workers studied the 1973 VBS materials and the best teaching methods. They in turn presented the new materials to the pastors, VBS directors, and Sunday School directors at a pre-clinic meeting at Main Street Church in February. This gave the churches time to secure VBS materials for their workers before the associational VBS Clinic.

Our VBS Clinic was held in March in the Crouch Building at the Fruitland Baptist Bible Institute. We had workers present from 21 of the churches.

There were 27 churches reporting Vacation Bible Schools with a total of 57 professions of faith and 28 rededications. Balfour reported the largest enrollment of 361; Hendersonville First reported 237 enrolled; Etowah reported 174 enrolled; and East Flat Rock came in fourth with 139 enrolled. Our churches reported excellent Vacation Bible Schools and we want to thank each one of the workers who made this possible.

Respectfully submitted,
Mrs. Alex Booth

MISSION COMMITTEE

The Missions Committee has worked closely with our superintendent of missions in the work of the association.

Through the funds from the Mission Store, we have been able to continue giving support to the work of Reverend Jimmy Merck in the Adirondack Association in Northern New York. A total of $600 was given this year to this work.

We set up plans to cooperate with the Henderson County Migrant Council, and Roy Lee Barbee was the migrant minister. We contributed $400 toward this work. Many of our churches were able to participate in two WIN Schools held in November and April.

The committee also promoted the Missions Advance Weekend in our churches (September 15-16), with a speaker from the State Convention in each participating church. One of these speakers, Reverend Robert Hensley (foreign missionary), was also in our association in November.

The next World Missions Conference is planned for March 16-23, 1975.

We express our appreciation to our superintendent of missions, Guthrie Colvard, for his leadership.

Respectfully submitted,
William C. Blalock

SUPERINTENDENT OF MISSIONS

This is the fifth report that I have made to the Carolina Baptist Association, and I believe that it is one of the fullest up to this point:

Number of sermons delivered	71
Number of churches visited	38
Number of Bible studies conducted	5
Number of mission studies (Mrs. Colvard helped with each of these)	22
Number of miles traveled in work	14,097

We planned and conducted two WIN Schools. One Mission Advance Weekend was conducted with 31 churches participating.

Outside the association, I had a part in or attended the following: three JED-CORA meetings; revival in Georgetown Baptist Church, Washington, D.C.; attended the State WMU Convention in Raleigh; attended the Baptist State Convention in Winston-Salem; State Mission Promotional Meeting in Raleigh; Southern Baptist Convention in Portland, Oregon; North Carolina Superintendent of Missions Conference at Fruitland; Home Missions Conference at Ridgecrest.

I will not list the many personal and group conferences and committee meetings held in connection with the work.

It has been a joy to work in the Carolina Baptist Association another year, and we look forward to carrying out some plans for the years ahead. Mrs. Colvard and I wish to thank you for allowing us to work with you.

Respectfully submitted,
Guthrie Colvard

TEMPERANCE AND PUBLIC MORALS

We are living in an age when we need to re-examine our principles and precepts, and come face to face with an honest look at the direction in which we are going. We as a body of organized believers must be strong in conviction and concern.

We are facing many frightening facts concerning temperance and public morals throughout our land. Records show that many families are in stress; many alcoholic and narcotic users are being treated. Gambling houses are thriving; pornography is sold on paperback racks all over our land. Distribution of pornography is illegal, and yet the United States Post Office Department estimates that the amount of hard-core pornography in this country has doubled since 1955.

What is our responsibility? Three things describe our responsibility: (1) there is a world to be redeemed; (2) there is the example of Christ; (3) there is the good news of the gospel which has been entrusted to Christians. Look about you and you will see that the world needs you. Look to the scriptures and you will see that Jesus was busy helping people with their problems. Take the word and remember that we must BRING THEM IN.

The Christian Action League is busy in the fight against liquor-by-the-drink. Should we not also be busy? We are facing a major issue as North Carolinians, November 6. By working together unanimously, whole-heartedly, and with prayerful conviction, we can stop the passing of this liquor-by-the-drink bill. Go to the polls and vote against this bill.

Respectfully submitted,
Dan Blackwell

Your committee expresses appreciation for the fine response we received from many of the churches to special pleas which were made in order to meet needs which arose because we did not have sufficient funds in the treasury.

According to the procedure of the Baptist State Convention, the amount we can expect to receive from them will be less than the $1,672.00 we received last year. Consequently, our response must be greater.

We can easily care for this need if each church will give 3% of its undesignated gifts. This may be too much to expect in every case, but we are asking that you increase your giving to Associational Missions by 10% over the past year in keeping with the "Together We Advance Program."

We present this budget with a deep awareness of the importance of the associational mission program. The success of this program depends upon the continued support of the churches by their prayers and gifts.

EXECUTIVE COMMITTEE

The Executive Committee met three times during the associational year: November 6, 1972, March 19, 1973 and September 18, 1973. Items of business are as follows:

David Levi, a Baptist college student from Ebenezer Church, was endorsed by the committee as being worthy of financial aid to further his education at Gardner-Webb College.

In November of 1972, the association applied for $2,000 from the state convention; since this money is supposed to retrogress, the amount requested in September of 1973 was $1,800.

Guthrie Colvard reported attendance at the WIN Conferences just over 160.

Robert Linder reported we are at a standstill with the Mission Store. He suggested the profits be put to use instead of keeping a reserve balance. It was reported that thirteen persons were trained and certified to teach reading in the Literacy Workshop. Funds for the workshop came from the Mission Store profits.

Sam Padgett reported the Sheltered Workshop is presently helping 29 retarded children and asked pastors to find out if there are children in their communities in need of this service.

A check for $75 was sent by the Missions Committee to Mrs. Shaw, ministerial secretary at Memorial Mission Hospital, to be used for a new typewriter for her office.

Frank Hopkins gave a report on the work of Jimmy Merck and Carl Hadley in New York state. He urged the association's support. It was moved, seconded and carried to send a check for $500 each quarter, for a total of $2000 this year.

The proposed budget for 1973-74 was outlined and noted to be $1,059.50 over last year's.

Mr. Colvard was asked by Roy Smith of the state convention to serve on the board to promote church education in the Appalachian area. This board is uniting with groups from other denominations to help establish church work in the poverty stricken areas of Southern Appalachia. However, at the September meeting, Mr. Colvard mentioned he had asked to be relieved from serving on this board and that his request had been honored. Mr. Colvard felt he could be of more service here in Henderson County by serving as co-chairman of the committee to fight liquor-by-the-drink.

Frank Carter

EVANGELISM

"SHARING CHRIST NOW" was the theme of the 27th Statewide Evangelism Conference at Ovens Auditorium, Charlotte, in February 5-7, 1973. Over 2500 pastors and lay persons were challenged by outstanding speakers to lead their people to become mor involved in the work of evangelism. The closing session on Wednesday emphasized prayer and personal renewal.

Many denominations are participating in KEY '73. The purpose of KEY '73 is to unite all Christians in the task of evangelism and to enable Christians to confront every person in the United States and Canada with the Gospel of Christ.

The Holy Spirit is accomplishing much through the ministry of our first summer youth evangelism team. Three college students have been used of the Lord in preaching in youth revivals and in directing youth witness training sessions in churches throughout North Carolina.

During June 11 through 15, over 730 youth and adults were present for the Youth Ministries Week at the North Carolina Baptist Assembly, with the emphasis on evangelism, vocational guidance, and recreation. Eighty-one youth made various decisions, including sixteen professions of faith.

Over 12,000 youth, pastors and adult leaders attended the third Statewide Youth Evangelism Night at Greensboro Coliseum on August 17.

The response of youth and adults to Lay Evangelism Schools in the past 20 months has been outstanding - 9,564 youth and adults have participated in this lay witnessing training from 720 churches and 34 associations. We have had two such schools in our own association.

The 28th Statewide Evangelism Conference will be at War Memorial Auditorium, Greensboro, during February 4-6, 1974.

Let us thank God for the excellent report of revival meetings, city-wide crusades, and evangelism clinics. Remember to pray for the TOGETHER WE ADVANCE emphasis that we may strive to attain a 10% increase in baptisms.

Your committee on evangelism still has hope of seeing an area-wide evangelism crusade in the near future. Detailed plans of this have not yet been made. We NEED and MUST HAVE your prayers if this dream is to materialize.

Respectfully submitted,
George A. Roberts

HISTORIAN'S REPORT

"The Church at Shawes Creeak was constuted the 3 Sabath in August, 1873 on Sateday Befor." This is an exact quotation as found written on a flyleaf of the record book of the Hendersonville First Baptist Church covering the same period. We wonder what the clerk of one church had in mind when he made such reference in his own book about the origin of another church. But we may safely conclude that he never had the least idea that his crudely written statement would be accepted one hundred years later as proof of the date of the organization of the church, and would help the people of Shaws Creek in setting the date for the celebration of their centennial which they celebrated on August 19, 1973. Thus, the old clerk proved to be a better historian than a student of the English language. The above is given here to stress the importance of keeping records, no matter how trivial they may seem at the time.

PHYSICAL IMPROVEMENTS: Several of our churches have been active along this line. The West Hendersonville Church held ground breaking ceremonies on May 6,

and work on the new church plant is now going forward in a great way. Pleasant Hill Church held cornerstone laying ceremonies for their new educational building on May 18, and plans are being made for the construction of the sanctuary. The Crouch Building at Fruitland Bible Institute was dedicated on April 3, and the student body voted special thanks to the Baptists of North Carolina for providing the new accommodations. Sixty-seven seniors graduated from the Institute on June 1. The Mountain Valley Church recently dedicated a new church building. The Beulah Church has secured twelve acres of land with a view to future enlargement. Both the Saluda Church and the French Broad Church have constructed new pastoriums, while the First Baptist Church of Hendersonville has sold the pastorium on Blythe Street, as the pastor has purchased his own place of residence. The churches at Dana, Tryon, and Upward have renovated their facilities. Those ten church buses parked on the lawn at Balfour Church are the envy of many passersby, especially those from churches which find it difficult to obtain drivers for even one bus.

NEWCOMERS: New pastors are as follows: Rev. B. Condred Pirkle at Balfour; Rev. Lamar Wakefield at Fruitland; Rev. James A. Bryant at Bat Cave; Rev. Houston Huggins at Jones Gap; Rev. William W. Willingham at Mount Moriah; Rev. Raymond Byrd at Mountain Page; and at Liberty Church, Rev. Roy Lee Barbee, who had recently been ordained to the ministry by the Kinza Memorial Church at Stanfield. The recently elected pastor at Brightwater, Rev. Robert W. Poulsen, was ordained at the church. Rev. Allen B. Jewett is the new minister of education at Hendersonville First. Mr. John Gage is the new minister of music and youth at Etowah. Rev. P.E. Lawson has been selected as assistant pastor and minister of youth at Balfour.

RESIGNATIONS: The following resignations are on record: Rev. Herman Hicks at Mt. Moriah, Rev. C.H. Greene at Valley Hill, Rev. Homer L. Crane at West Hendersonville, Rev. Arthur Roberts at Mountain Page Church, Rev. Darrell Rhodes at Jones Gap, Rev. Loyd R. Lane at Bat Cave, Rev. Harold McKinnish at Ebenezer, Dr. A. Duane White as minister of music at Etowah, and Michael Holt, minister of music and youth at Mud Creek.

DEATHS: Among others, the association has suffered great loss in the deaths of Rev. Curtis V. McCarley, the beloved pastor at Balfour for four years, who suffered accidental death; Rev. N.B. Phillips, pastor at East Flat Rock for 38 years; Rev. Broadus E. Wall, a popular pastor of the First Baptist Church of Hendersonville for six years and interim pastor of several neighboring churches; Rev. Arnold Edney, pastor of Bethel Baptist Church in Asheville for 23 years; and Mr. Noah Hollowell, a former editor of the Carolina Tribune which kept the people informed about their churches and other local news.

MISSIONARY INTEREST: It is with pride that we point to the fact that two members of the First Baptist Church of Hendersonville, Mr. and Mrs. Albert C. Sutton, Jr. have been appointed by the Foreign Mission Board to serve in Angola as missionaries. Another member, brought up in the same church, and his wife, Mr. and Mrs. R. Clifford Staton, Jr., have been appointed to serve as missionaries in Ethiopia. Miss Mildred Thomas, of the Main Street Church, has been appointed as special project worker in the library at the Baptist Seminary in Hong Kong. Mr. and Mrs. Boyd Sutton, missionaries to Brazil and formerly of Hendersonville, spent their vacation among us and were very active in their ministry among several churches of the area. Under the leadership of Mrs. Swannie Colvard, the WMU has been very active in creating missionary interest. The Lottie Moon Christmas Offering went over in a great way in many of our churches. Miss Debbie McMinn, of the Locust Grove Church, won special honors in her GA work. Mr. Finley Pace, after 27 years as leader in the migrant work, has resigned due to decling health. State Missions received a great boost on September 16, when many special speakers appeared in its behalf in many of the churches of the associa-

tion. The latest report in the Biblical Recorder showed that our contributions to the Co-operative Program amounted to the sum of $109,798.32, this being confined to only 36 churches of the association.

MISS NORTH CAROLINA: It is with pride that the honor of being named Miss North Carolina has come to one of our own girls, Miss Heather Walker, daughter of Rev. Ian H.C. Walker, pastor of the First Baptist Church. This honor comes to her, not only because of her physical beauty, but also because of her beauty within. Her attitude and her strong Christian testimony will doubtless raise the standard of the annual event.

SINGING YOUTH: The Sound of Singing Youth has had another honor given them. They sang at the inauguration of Governor Jim Holhouser and received high praise and commendation. This group of 100 or more young people is ably led by Mr. Aubrey Edwards of First Baptist Church.

Many other things of interest have occurred during the year and will be stressed by the reporters in their various fields. It is felt that much progress is being made along many lines. And for whatever gains we are making, too much credit can not be given to our superintendent of missions, Rev. Guthrie Colvard, in his many activities and his cooperation with the various leaders.

Respectfully submitted,
C.F. Jervis

MIGRANT MISSIONS

The migrant ministry was carried on this year by one of our Fruitland Institute men, Roy Lee Barbee, who is also the pastor of the Liberty Baptist Church. We are grateful to him for his work in both areas, and he gave a very encouraging report about his work with the migrants this summer.

Brother Barbee was able to work with three camps and the day care center for the children. The fruits of his labor resulted in having twenty or thirty souls received Jesus Christ as their personal Saviour.

The Henderson County Library furnished some very good films for the work with the children. Films allow the minister and the migrants an opportunity for entertainment and education, which in turn brings about a closer fellowship.

We are grateful to Fruitland Baptist, Hendersonville First Baptist, and Tuxedo Baptist Churches for the health kits they furnished. These health kits are an entree in winning the friendship of the people. Floyd Shehan of the Liberty Church also helped with the film ministry.

Numerous people and organizations help to make this ministry possible, especially the Henderson County Migrant Council. To each and everyone involved, we express our gratitude.

Respectfully submitted,
Jack T. Stafford

GENERAL BOARD

I've certainly enjoyed serving on the General Board of the Baptist State Convention of North Carolina. It has meant a lot to my Christian life and just to know the work being done through the cooperation of the many pastors who serve on the Board is an inspiration.

I wish that you could see all the good that is being done by the General Board. The Board assists smaller churches in purchasing land for buildings, provides supplements to pastors' salaries which are inadequate, supplements the salaries of some superintendents of missions, etc.

Reverend Billy T. Mobley of First Baptist Church, Ahoskie, North Carolina, was elected as president of the General Board this year.

Many on the Board are seeking and planning for the day when our Baptist Colleges will become distinctively Christian. We have too many intelligent people who do not have the fear of the Lord in their lives, which is the beginning of wisdom. My, how I wish we could have a new emphasis in this area, together building the Body of Christ. Much emphasis was placed upon encouraging Baptist young people in high school to consider attending a Baptist school.

The General Board approved $50,000 to meet a challenge gift by A.J. Fletcher to the Communication Center in the Baptist Building in Raleigh. The Executive Committee of the Board had already voted to transfer approximately $17,000 for equipment to the department and this met this year's requirement of the challenge gift.

It is impossible in this limited space to record even a fraction of the work that is done by your General Board. Their aim and purpose is to serve by correlating the efforts of the Baptists of our state to bring about a steady growth both statistically and spiritually in the Baptist churches in North Carolina.

Respectfully submitted,
Ian H.C. Walker

MUSIC

Our associational "Carol Sing" was held at Shaws Creek Baptist Church this past December. It was a success with many churches participating through choir numbers, individual selections and group singing. This meeting proved a blessing to all in attendance.

In April of this year, a choir accompaniment tape was made available to the churches of our association and used by a number of our churches, particularly with youth choirs.

Approximately 120 choir members from churches in the association participated in a combined choir for the area-wide "Strength for Living Crusade" held August 25-September 1, 1974, at the First Baptist Church, Hendersonville. The Stalnecker Team conducting the crusade gave a concert on Saturday night, August 31. Bette Stalnecker, wife of Evangelist Ed Stalnecker, sang and interpreted for the deaf as she sang each night.

We have two new full-time workers in the field of music within our association. They are Jimmy Ezell at First Baptist Church, East Flat Rock, and Preston Capps at Mud Creek Baptist Church.

Respectfully submitted,
John G. Gage

BROTHERHOOD

In the recommended organizational setup for our churches, the Brotherhood is given the responsibility of missionary education and mission activities for the men and boys. In too many cases the task has not been accomplished because we have not given the Brotherhood the kind of emphasis it should have in our churches.

The Associational Brotherhood is striving to help the churches to provide the right emphasis. A team of men have been trained at the regional workshop and are ready to assist in training the leaders in the churches in both the Baptist Men and Royal Ambassador work.

We are grateful for the response to our Royal Ambassador activities. Mills River Church won the Associational Track Meet and those boys, along with one from Shaws Creek, represented us well at the State Track Meet. The Day Camp for the Crusader I Boys proved to be a success again with increased enrollment.

The commission Christ gave to us makes it imperative that we be concerned about missions. The Brotherhood is in a position to aid in quickening that concern.

J. Seldon Osteen

WOMAN'S MISSIONARY UNION

As I write this report I am finishing five years as WMU director. These were years of many changes in our work over the Southern Baptist Convention. Some could not accept these changes, but most of us have "stood by the stuff," feeling our way along and coming to this point knowing that the Lord has blessed our efforts. We have been recognized as a "Distinguished" organization for the past three years.

Our annual meeting was held May 6, 1974, at Etowah Baptist Church with Foreign Missionary Zeb Moss from Zambia as the main speaker.

The September Workshop was conducted September 16, 1974, at Fruitland Baptist Bible Institute.

The Baptist Women, Baptist Young Women, Acteens, and Girls-in-Action have held meetings for their particular age groups, and your executive committee has held quarterly meetings to plan and evaluate our work.

We are particularly happy that we have been welcomed into so many of the churches to teach the Home and Foreign Mission Studies. Mr. Colvard and I have been blessed by the studies, the fellowship and your continued and growing interest in missions.

May I encourage you to enter wholeheartedly into the spirit of our denominational theme for 1974-75, "Share His Love Now," and the 50th anniversary theme of the Cooperative Program, "Operation One," revitalizing our allegiance to Christ's great commission. This is what it is all about.

Respectfully submitted,
Swannie Colvard

CHURCH TRAINING

Church training involves much more than Training Union, although, that is a vital part. Church training is of such importance and necessity in a day and age when training seems to be the key to so many avenues of involvement.

We could dwell on the past and remind you of the successful "M" Night at First Baptist Church, Hendersonville. We could emphasize Youth Night at West Henderson High School with a large number of churches participating. However, I feel this report should be one of more than past events; it needs to be a report of plans for the coming months.

We are hoping in the near future to inform the churches of a long awaited and desired Church Training Clinic. Many of our Church Training Directors have requested this clinic, and we understand and respect their desires. Our Associational Youth will be involved with a drama, "The Robe," this year to be presented around Easter. The play will require help from many youth and assistance from all the churches in our association.

We do hope that 1974-75 will show marked improvement in all areas of Church Training.

We seek the leadership of the Holy Spirit and your prayerful concern for every activity attempted.

Respectfully submitted,
Jimmy Cox

SUNDAY SCHOOL

Fifteen churches participated in the Teachers' Improvement Clinic held March 18-21, at the First Baptist Church of Hendersonville. Mrs. Henry Powell of Marion led the young preschool conference; Miss Louella Brown of Cullowhee led the older preschool conference; Mrs. Donald Myers of Reidsville led the younger children's conference; and Mrs. John Hicks of Asheville led the older children's session. Miss Nona Bickerstaff was the leader of the youth workers. Rev. Otis Wheelhouse of Brevard and Bart Dorr of Waynesville led the adult workers. Rev. John Privott led the pastors and directors.

This was an excellent workshop. One hundred and thirty people were enrolled and 91 training awards were received.

The theme for 1974-75 is "Reach Out To People" with a special thrust to "Reach Adults for Christ."

November 17, 1974, is VICTORY DAY throughout the convention and each church is to have a high attendance day. Each church is to report their attendance by calling 693-3493 as soon as the attendance record is completed. I trust that all churches in the Carolina Association will cooperate in this effort.

Thank you for your cooperation in the past year, and I trust that we will have even a greater year of growth in our churches reaching people for Christ through our Sunday Schools.

An Adult Directors' Leadership Clinic is being planned for February 24-25, 1975, to help "Reach Adults for Christ."

Respectfully submitted,
Allen B. Jewett

VACATION BIBLE SCHOOL

Vacation Bible Schools give us an opportunity to reach children, youth and adults for Christ. Our records show that annually many persons not enrolled in Sunday School are reached through Vacation Bible Schools.

A team of eight leaders from our association was trained in the best methods of VBS work at the State VBS Clinic at Wingate College, January 7-9, 1974.

The associational clinic was held March 25, at the First Baptist Church of East Flat Rock. There was a total attendance of 141 with 27 churches represented. We have received 23 reports from our churches. These reports show 30 professions of faith with a total enrollment of 2,652 persons.

I want to thank each one of you for your fine efforts this year, and please help us to make our Vacation Bible Schools better next year.

Respectfully submitted,
Mrs. Alex Booth

MISSIONS COMMITTEE

Your Missions Committee has been working long and hard for several months now in seeking the man God would have this Association call to become its Superintendent of Missions. Rev. Guthrie Colvard's retirement became effective September 1, 1974.

We feel that the Carolina Association was indeed fortunate in having the Colvard's with us. In losing them, we have lost good and faithful workers; and their influence will continue with us.

Your Missions Committee needs all the support you can possibly give. Pray with us that God's Will be done in all of the work of the Carolina Association.

The funds from the Mission Store have made possible the continued support of Jimmy Merck's work in the Adirondack Association in Northern New York. We contributed to the work of the Henderson County Migrant Council. Without the efforts of Mrs. Irma Roberts and those who work with her in the Mission Store, these gifts would not be possible. Mrs. Roberts has done a splendid job of managing the store for us. Please give them your support and encouragement.

We are looking forward to our World Missions Conference in March 16-23, 1975. Begin to make your plans now and lead your church to participate.

"But as it is written, eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love Him," (I Cor. 2:9).

Respectfully submitted,
William C. Blalock

MISSION STORE

The Mission Store had a very good year. We gave to 103 needy families, mostly during the months of January and February. Items given included 1,064 articles of clothing, 240 items of pots and pans, dishes, bedding, etc.

At Christmas we helped 32 families, giving them toys and extra clothing. I spent $10.00 per family for toys or $320.00 total. Cross Roads Baptist Church gave me $100 to be used as I saw fit for needy children. With this money I bought new clothes and toys for the very underprivileged children.

The value of clothing and furniture given away by the Store comes to $2,045.14. Six meals were bought for people at $1.56 per meal. A pair of orthopedic shoes was purchased for a crippled man.

We urge you to continue to bring your good used clothing, household items, and used furniture to the Mission Store to help the needy in our area.

Mrs. Irma Roberts

Number of miles traveled	12,674

Some highlights of the year in the association were: (1) the successful fight

against liquor-by-the-drink, and your superintendent of missions served as co-chairman on the committee; (2) the Teaching Improvement Clinic in March with 130 persons enrolled; (3) the areawide "Strength for Living Crusade" with the Stalneckers, August 25-September 1, 1974.

Outside the association, I rendered the following services: (1) served as pastor for G.A. Camp at Truett Camp; (2) taught January Bible Study at Turrentine Baptist Church, Mocksville; (3) spoke during World Missions Conferences in Atlantic Association and South Yadkin Association; (4) spoke in Mission Advance Weekend meetings in Abee's Grove Church, Valdese, Boyleston Church in Transylvania Association, and Stoney Hill Church in Brushy Mountain Association.

We are grateful that we were given the opportunity to share in the work. We wish to thank those churches who opened their doors to us in such a wonderful way, and we are pleased that we can call you our friends.

Pray for us in our retirement.

COOPERATIVE PROGRAM

Success or total victory in any project has been well defined as: "The progressive achievement of a worthy, self-determined goal. There are five requirements for success. These may be nothing except pure humanism. However, when they are fused with the purposes of God, they are highly useful and applicable. They are:

1. crystallize your thinking; set a worthy goal
2. make a written plan and set deadlines
3. develop or generate a burning desire
4. exercise supreme confidence
5. iron-willed determination

The year of 1975 will be the 50th anniversary of our Cooperative Program. The goal has been recommended by the Southern Baptist Convention for 1975 as $150,000,000.

In November, the North Carolina State Baptist Executive Committee will recommend as the state goal - $11,600,000. This "challenge budget" is indeed a worthy goal. Now:

1. Our thinking has been partially and will be totally "crystallized." A worthy goal has been established.
2. The "written plan" is ready and a "deadline" will be set.
3. The "burning desire" is in the process of being fanned into an intensive flame.
4. It remains that we must "develop supreme confidence" in God, ourselves, and the basic spiritual needs and/or value of these goals.
5. Our task now is to pray that the Spirit of God will create within our spirits the "iron-willed determination" to perform the doing of it.

Let every pastor and budget committee of every church in this association establish their reasonable share of the goal, based on the ability and availability of their members. This step, fused with the ability and desire of God who will "do exceeding abundantly above all that we can ask or think," will assure the full attainment of this worthy goal.

Under God, we can worthily enlarge our total missionary outreach for the year of 1975.

MIGRANT MISSIONS

Many people in the Carolina Baptist Association have no real knowledge of the Migrant Mission work. Some think this is a ministry to black people, while some think it to be for Mexicans or Puerto Ricans. The truth is that our program is for any of these afore mentioned including white adults and children.

Each year many people come to Henderson County to work in the fields and orchards, then continue on to some other place after our crops are harvested. This usually means that a migrant leaves Florida, migrates north to New Jersey, and comes back in late fall to Florida.

Rev. Clifford Williams was our migrant minister this year. Mr. Williams is a Fruitland graduate and is presently serving as pastor of the Liberty Baptist Church.

He was able to minister in three camps and was assisted by Floyd Shehan and William Sheffield. Mud Creek Baptist Church helped by furnishing ten health kits along with Mrs. Alex Booth who was responsible for an additional thirty kits.

We are grateful for each person and/or organization which helps to make this ministry possible and especially for the Henderson County Ministerial Association and the Migrant Council.

BAPTIST HOSPITAL

In spite of the growth in size and complexity at Baptist Hospital, the emphasis is still upon "ministering with skill and understanding." A typical patient's remark recently: "From the head surgeon to the aide who handed me a glass of water, with all the doctors, nurses, people in the business offices and chaplains in between, I was cheerfully given every personal consideration."

Renovation of the Progressive Care Unit has been completed, and the South and West Wings of the hospital building are now being renovated. Construction of the Ambulatory Care Unit is well under way and is scheduled for completion in the spring, or early summer, of 1975.

A new EMI-Scanner is to be installed and is expected to be in use before the end of this year. This device, which combines the use of X-rays and computors, will make it possible to detect brain tumors, blood clots, and strokes more accurately and more quickly. Scans can be completed in about 30 minutes and the results can be available in another five minutes. There is no risk or discomfort involved, and the patient does not have to be admitted to the hospital.

New approaches in the hospital's ministry to the emotional and spiritual needs of people are being made. The Division of Human Enrichment and Development is conducting retreats, seminars, and workshops designed to help appropriate the resources of the Christian faith to the experiences of life. The Pastoral Care Department has opened its first satellite center in Fayetteville. Your Cooperative Program gifts help to support these two ministries.

The School of Nursing graduated its last class in May. The school has been in the process of phasing out for the past three years, as the result of a trustee decision made in 1971.

In January the hospital had its only room rate increase in the past three and one half years. Nevertheless, the hospital continues to operate "in the black." The 1973 Mother's Day Offerings amounted to $375,000. Our 1974 Mother's Day gifts are running ahead of last year's at this time. These gifts assist patients with the most

urgent financial needs. A committee of five Baptists from the Winston-Salem area assists personnel from the hospital Business Office and the Department of Denominational Relations in administering these funds.

Your hospital staff, and the people they serve, are grateful for your interest, your prayers, and your financial support.

BAPTIST CHILDREN'S HOMES

The continuing good will and generous support of our friends throughout the state make possible a vigorous and progressive ministry of child care. During this year, North Carolina Baptists gave more than a million dollars to Christian child care in the Baptist Children's Homes through the Cooperative Program, the Thanksgiving Offering, and designated gifts and offerings.

This year has seen the completion of the Broyhill Recreation Building and the Wagoner Administration Building on the Broyhill Home Campus. We invite you to join us there on October 27, for a program of dedication for the Haywood and Wall Cottages, the recreation and administration buildings, and the campus itself.

Since its inception in 1971, the Maternity Home in Asheville has offered a helping hand to more than 120 girls who struggled with one of the most serious crises of life. This program continues to find acceptance throughout the state and to realize success in sharing Christ with the girls who come there.

At the present time, a cooperative adventure is under study with the Green River, Sandy Run, and Polk Associations for the establishment of an emergency care shelter. This, again, will be a helping hand for boys and girls caught in the crisis of the present day society.

We continue to depend on your prayers and loving support as we face the pressures of an uncertain economy, rapidly spiralling costs, and the need to serve children whose personal problems are most intense.

Respectfully submitted,
Marie Blackwell

BAPTIST HOMES FOR THE AGING

One of the vital ministries that you support as a Baptist is your North Carolina Baptist Homes for the Aging. For over 23 years now, you have had a part in serving hundreds of older people by making life much happier and secure for them. You have done so through two very helpful sources of income: (1) the Special Offering for the Homes which is received on the third Sunday of February each year, and (2) the Cooperative Program. Gifts through these two sources have increased from year to year. Offerings for 1974 will perhaps exceed $350,000, providing more than 30% of the budget needed to operate five resident Homes and the Nursing Care Unit.

A decision of greatest significance this past year has been the decision by the trustees of the Homes to esablish a sixth Home in Western North Carolina. It will be located on the Pearson Estate in Asheville. This is a magnificently beautiful twenty-one acre site overlooking the city with the Blue Ridge Mountains in the background. A dedicated group of people in Western North Carolina has organized the first initial phase of what will become a major statewide fund-raising effort to obtain the necessary money to build this proposed Home, after approval by the General

Board and the Baptist State Convention. Church groups are encouraged to visit the beautiful site on which the proposed Home will be built. Lunch will be served if an appointment is made in advance.

Here is our association, we are trying to organize a committee to lead in raising funds for this project, and we request your earnest prayers and support.

Since we do not have a Superintendent of Missions, we recommend that our Associational Secretary be paid $150 per week until an Associational Superintendent of Missions is on the field. We further recommend that this year she be given a Christmas gift of $150 rather than the $75 that is in the budget.

We believe that there is a great need today for our Associational Mission Program. All of us are caught up in the mad rush of things, and we need someone to keep us informed and to lead us in our mission endeavor and mission programs. In order to have a Superintendent of Missions and a good program, we must have the cooperation and backing of all of our churches. Therefore, we are encouraging you to support the mission program with your prayers and finances. We would not tell you what to give. We will leave that to the leadership of the Holy Spirit, knowing that He will lead you aright for the good of man and the glory of God.

EXECUTIVE COMMITTEE

The Executive Committee met four times during the associational year. Items of business were as follows:

The committee voted to place the typewriter and mimeograph machine in the office under maintenance agreements.

It was voted to send letters to the presidents of the North Carolina Baptist Colleges opposing the reported incidents of streaking on certain campuses and encouraging them to take proper action.

Letters had been received concerning the establishment of a nursing home in this area. In light of the fact that plans were underway for a home in Asheville to be under the direction of North Carolina Baptist Homes for the Aging after completion, it was voted that a fund-raising committee of five be appointed from our association to work with the Asheville committee. Persons named thus far to serve are as follows: Rev. B. Condred Pirkle, Miss Virginia Thompson, Mrs. Landrum Blount, and Mr. Robert Bryson.

In the June meeting, William Blalock reported that the Missions Committee had drawn up a job description for the superintendent of missions. A motion was adopted to make a study about future plans and programs of the association for the committee to present to prospective superintendents of missions.

In the September meeting, it was voted that churches be asked to give according to resident membership for the World Missions Conference scheduled for March 16-23, 1975. A motion was made to elect someone to serve as Clerk of the Association in the absence of a Superintendent of Missions. Mrs. John Rymer was nominated and elected to serve as Clerk.

The following recommendations by Charles Magnet was adopted after being ammended to read: "I recommend that the Carolina Association operate its Mission Program without the aid of a Superintendent of Missions for the time being and that the Association's leadership for the present be comprised of the Associational Moderator, the Missions Committee, and the Associational Secretary. I propose that these persons make an evaluation of the Association's needs and projected program in relation to a Superintendent of Missions and the work of the Carolina Association before calling a new Superintendent of Missions."

A motion was passed that expenses incurred by any associational officer carrying on the work in the absence of a missionary be taken out of the funds that would normally go toward the missionary's expenses.

EVANGELISM

The continuing response of youth and adults to Lay Evangelism Schools has been significant. In the past thirty months 11,032 youth and adults have shared in this lay witness training from 855 churches and 44 associations. Also, 107 pastors from nine other associations have participated in Pastors' Retreats dealing with Lay Evangelism Schools.

"SHARING HIS LOVE AND SPIRIT" was the theme of the 28th Statewide Evangelism Conference at War Memorial Auditorium, Greensboro, February 4-6, 1974. Over 2,400 pastors and lay persons heard excellent speakers emphasize various phases of evangelism.

About 15,000 youth, pastors, and adult leaders attended the Statewide Youth Evangelism Night, August 16, at the Greensboro Coliseum. Richard Hogue, evangelist from Houston, Texas, was the guest speaker.

An areawide "Strength for Living Crusade" was sponsored by our association at the First Baptist Church, Hendersonville, August 25-September 1. The Stalnecker Team conducted these services. Brother Dean Weaver did a wonderful job as chairman of this crusade. We are indebted to him and his co-workers for the splendid job. Only eternity will reveal the results of this crusade with 155 decisions for salvation and a number of rededications.

Pray for your committee during the coming year.

HISTORIAN'S REPORT

RESIGNATIONS: This has been a year of resignations, chief among which was the resignation of our Superintendent of Missions, Rev. Guthrie Colvard, who served effectively for the past five and one-half years. This was followed by the resignation of Gary Harthcock, director of Fruitland Baptist Bible Institute for the past ten years, who in turn was succeeded by the Rev. Alex Booth, formerly dean of the institute.

RESIGNATIONS OF PASTORS: The following resignations are on record: Roy Lee Barbee at Liberty, Dan Blackwell at Beulah, W. Silas Bradley at Barker Heights, James H. Ballard at Main Street, Douglas Hall at Mt. Gilead, John B. Haste at Oak Forest, Rex Collins at Naples, Preston Thompson at Mountain Valley, O.B. Williams at Upward, Charles E. Magnet at Oak Forest, Max Smith at Pleasant Hill, and Houston Huggins at Jones Gap.

NEW PASTORS: New pastors are as follows: Harold Sprinkle at Ebenezer; James B. Richardson at Tryon, First; Thad B. Keever at Barker Heights; Larry Hill at Mountain Valley; John Searcy at Bearwallow; Clifford Williams at Liberty; John Haste at Oak Forest; and Joe H. Harvey at Pleasant Hill. Charles E. Magnet assumed the pastorate at West Hendersonville upon leaving Oak Forest.

OTHER POSITIONS: Jimmy Ezell has been called as minister of music and youth at East Flat Rock, First; Warren Pearson was minister of music on a part-time basis at Saluda, First, however, Miss Susan Ipock is now serving as the part-time minister of music at Saluda; Bill Evans is associate pastor at French Broad; and Preston Capps has been called as associate pastor and minister of music at Mud Creek.

COMPARISONS: In making comparisons from the last two annuals published, it is good to learn that we are making improvements all along the way. In church membership there is a gain of 369; in baptisms, a gain of 39; in Sunday School enrollment, a gain of 42; in mission expenditures, a gain of $22,025; in Cooperative Program contributions, a gain of $10,900, while total expenditures show a gain of $286,034. From the Cooperative Program report recently published in the BIBLICAL RECORDER, we note a gain of 34% for the first half of 1974 over the similar period of 1973.

MISCELLANEOUS: Events of associational interest were the Vacation Bible School Clinic at East Flat Rock, the Sunday School Teachers' Improvement Clinic, Youth Night, the area-wide "Strength For Living Crusade" with the Stalnecker Team, and the Colvard Farewell Reception at which time the Colvards were presented a check of $500 from the association.

The people of Mountain Home entered a beautiful and commodious sanctuary and educational building. On May 5, 1974, West Hendersonville entered one of the finest and most beautiful church plants in our association.

The Pleasant Grove Church and Naples Church had the pleasure of burning the mortagages on their church buildings. The French Broad Church took 25 young people with sponsors to upper New York State for work in Daily Vacation Bible Schools.

Churches wishing to preserve their church history would do well to consult with the people of the Mountain Valley Church. Under the leadership of the former pastor, Preston Thompson, and much local talent, they have recently published one of the most complete little booklets ever put out by any church. It is very informative and well pictured.

TEMPERANCE AND PUBLIC MORALS

The vital problem of public morals which is forever with us should deeply concern every person who names the Name of Christ. One of the major problems of our civilization is the rapid deterioration of our concept of morals and its effect upon the stability of our homes and society as well. A Christian is obligated to apply Christian principles to every area of life - daily work, family life, race relations, moral issues, and citizenship. The staus of our national morality is appalling, and it stems from the deterioration of the home and our concepts of morals.

Closely allied with the evils of our day is the black picture of the demon alcohol as he parades across our land to the utter disgust of God-fearing men and women. How our hearts rejoiced last November when the people of our state responded to the call to defeat liquor-by-the-drink and did so by over a 70 percent margin, carrying 97 counties. To God be the glory! It is conservatively estimated that two million alcoholics on the payrolls of business and industry cost their management more than $2 billion annually through absenteeism, faulty workmanship, and labor turnover. Drinking is a social issue, an economic issue, and a moral issue.

There are other things relating to public morals that we ought to be deeply concerned about - drugs, pornography, gambling, violence, pollution, and others.

In the annual meeting in April, the Christian Action League of North Carolina appointed the following Task Forces: Task Force on Prison Reform, Task Force on Highway Safety, Task Force on Alcohol Drug Control Laws, Task Force on Obscenity and Pornography, Task Force on Tax Reform, Task Force on Capital Punishment, and Task Force on Banning Advertising of Alcohol. Work is now going on in these areas. Continue to pray for and financially support this fine organization.

Although the picture is black, there is hope. Evil in many ways is more open than it once was. We live in a dark world but we have the Light - the unquenchable Light of the glorious Gospel. May we let that Light shine through the preached Word of God, through our teaching, and in our everyday life. For in God we have a Saviour and in Him is no darkness at all.

BAPTIST FOUNDATION

The Foundation administers endowments for all N.C. Baptist and SBC institutions and mission causes. A majority of the $2 million in endowment held by the Foundation has been received through wills.

An interesting story appeared in the September 14, 1974, issue of the BIBLICAL RECORDER about a retired nurse leaving $200,000 to the Baptist Foundation. In 1973, Miss Elizabeth Ann Harris told Edwin Coates, executive director of the N.C. Baptist Foundation, that she wanted to further the work of the Lord with whatever might be left in her estate at the time of her death. Coates said that Miss Harris, a long-time member of Maple Springs Church near Louisburg, N.C., "had an unusually clear understanding of many areas of Christian ministry offered through the institutions of our Convention, and she desired to have a part in each area of work."

On July 20, the 90-year-old retired nurse passed away, leaving one of the largest single bequests ever received by the Foundation for the support of denominational work. The two-story farm house along with the 172 acres of farm land will yield more than $200,000. Coates says that the memorial trust "will pay annually into Coopera-

tive Program ministries more each year then Miss Harris ever earned as total salary for any one year of her life. In death she will be supporting the spread of the Gospel of Christ in a way she was unable to do during her lifetime."

CHRISTIAN LITERATURE

The basic publication utilized in communicating Baptist news across the state of North Carolina has for years been the BIBLICAL RECORDER. In its fourteen decades of life, the highest circulation was this past year with more than one hundred and eleven thousand subscriptions. In spite of the rising cost of paper, we hope that more churches will see the value of including this valuable source of information in their budgets.

Consider the unique part the BIBLICAL RECORDER played in helping to defeat liquor-by-the-drink last November. Approximately 70 percent of the voters in the state voted against liquor-by-the-drink, and it was defeated in 97 of 100 counties.

We must recognize that the "free press" for Baptists has spiritual power. Support for the BIBLICAL RECORDER is what has moved the North Carolina Baptist Convention toward its greatness.

AMERICAN BIBLE SOCIETY

The American Bible Society, a vital arm of the church, has existed for over 150 years for the sole purpose of preparing and supplying scripture to all mankind in a language he can understand. Printing without note or comment, supplying the blind with special scripture, distributing without profit, American Bible Society has reached millions of people in the world. At least one book of the Bible has been published in 1326 languages and dialects.

Southern Baptists have always been in the forefront of active participation and cooperation with the American Bible Society ministries, leading the 74 denominational groups in financial support.

North Carolina Baptist Churches contributed $6,934.86 to the American Bible Society cause in designated gifts through the State Convention Office from October 1973 to September 1974.

Because of these gifts and other contributions, American Bible Society continues to minister through institutions, the armed forces, hospitals, prisons, schools and other vital targets.

The American Bible Society says, "Thank you - keep up the good work."

FOREIGN MISSIONS

The words of Jesus are the marching orders for Baptists: "Go ye into all the world and preach the Gospel to every creature," (Mark 16:15). As 1974 began, Southern Baptists were represented overseas by 2,538 missionaries assigned to serve in 77

countries and territories.

I will make no attempt to give any statistics, because by the time this report is printed the statistics will be old. After all, no statistical account can tell the full story of the fruitage of Christian labor. There have been many won to Christ and trained in Christian service, but they cannot give us the complete picture. The full story of missions is not to be measured in numbers,but by the lives of those God-called workers who serve on the foreign fields.

Not every one is called to go to some faraway place, but we have all been called into "Foreign Missions." We can each respond by love, prayer, concern, and giving. Dr. Baker J. Cauthen reminds us that the outflow of givng through the Cooperative Program and the Lottie Moon Christmas Offering undergirds mission labor around the world. Approximately 50% of the Cooperative Program funds is made available for foreign missions, but the needs are great. May our churches so work and give that what is done for the Lord in the future will greatly exceed anything we have ever attempted.

Respectfully submitted,
William C. Blalock

HOME MISSIONS

More than 1,050 missionaries are supported by the Home Mission Board, working in language efforts in 33 state conventions, Panama and Puerto Rico. The year saw the beginning of work among the Yaqui, Cochin and Feather River Indians, thus extending the Board's outreach to some 30 language and culture groups.

The Department of Christian Social Ministries had almost 300 missionaries serving across the convention in 1973. The increasing participation of lay persons in missions was undergirded by the naming of the first director of Christian Service Corps.

In the past 15 years some 4,000 new churches have been started in areas previously little known by Southern Baptists. In 1973-74 the Church Loans Division made loans to 235 churches totaling more than $11 million. A vital new part of the loan program is the Negro and Ethnic Church Loan Fund which now has loaned some $750,000 to 31 churches.

The Home Mission Board's missionary force totaled 2,170 at the year's end. Missionaries are active in all 50 states, Panama and Puerto Rico. More Southern Baptists became aware of the program of interfaith witness in 1973 through the annual mission study series.

The program of Church extension started 89 new congregations. A total of 390 young congregations were given assistance through pastoral aid and 56 were assisted toward becoming self-supporting.

Dr. Arthur B. Rutledge says "possibly there has never been a more challenging time to serve Jesus Christ and help cross barriers with the gospel than the present time."

STATE MISSIONS

In the channels of service, State Missions occupies the strategic position between the local churches in the associations and the World Missions Cooperative Program. As a title, State Missions incompasses all that the denomination is doing within

the borders of North Carolina.

The total work of the Baptist State Convention is in seven parts: (1) Administration, (2) Division of Business Management, (3) Division of Special Emphasis, (4) Division of Church Programs, (5) Division of Cooperation, (6) Woman's Missionary Union, and (7) Division of Mission Ministries. The primary concern of this report is part seven, the Division of Mission Ministries.

Under the direction of Dr. Howard J. Ford, nine departments make up the Division of Mission Ministries: CITY AND METROPOLITAN MISSIONS directed by Ernest C. Upchurch, TOWN AND COUNTRY AND SEMINARY EXTENSION by Roy J. Smith has two associates in Area Missions - Luther Osment in Sylva and James M. Lambert in Boone, INTERRACIAL MINISTRIES directed by Corbin L. Cooper, DEAF MINISTRIES directed by Jerry F. Potter with Neal Peyton as associate, CHAPLAINCY MINISTRIES directed by Joseph V. Watterson, INSURANCE AND ANNUITY PROMOTION by Sam H. O'Neal, COMMUNICATIONS DEPARTMENT directed by L.J. Morriss, SPECIAL MINISTRIES which includes the Cherokee Child Care Center directed by Roy Cantrell and the Burnt Swamp Indian Field Work with Anna Mae Locklear as worker, and FRUITLAND BAPTIST BIBLE INSTITUTE AND CONFERENCE CENTER directed by Alex L. Booth, Jr.

Information concerning any of these areas of work may be obtained by visiting or writing the director. The address for general inquiry is Baptist State Convention of North Carolina, P.O. Box 26508, Raleigh, North Carolina 27611.

Respectfully submitted,
Alex L. Booth, Jr.

ANNUITY BOARD

At the 1918 Southern Baptist Convention in Hot Springs, Arkansas, Southern Baptists approved the organization of the Annuity Board. Robert A. Baker, of Southwestern Seminary, has written a history of the 50 years' service given Southern Baptists by the Annuity Board.

The Annuity Board paid out a record of nearly $16 million in retirement and protection benefits during 1973. In more than half a century the Board has paid out over $100 million dollars in retirement and protection benefits. More than 9,000 retired pastors and other church-related workers or their widows receive benefits.

President Darold H. Morgan reports that for the first time funds held in trust exceed $350 million dollars.

The Board issued another 13th Check for annuitants shortly before Christmas 1973. This check amounted to two extra months worth of benefits and totaled $1,187,379. The 13th Check is over and above the 12 contracted monthly benefits and depends from year to year on investment income. Investment income declined to $10 million dollars in 1973 after an all time high record of $22 million dollars in the year 1972.

The Board's decline in equity or stock investments paralleled the decline in the market generally, which affected all other types of investors as well. The major market indicators, Dow Jones, Standard and Poor, and Value Line, all were down during the year.

On the contrary, the Board's investments in mortgage loans and real estate leasebacks proved to be profit-making for the year. In an effort to continue earning from real estate investments, the Board announced a new type of Plan C investment called land equity loans. PLAN C is the Board's variable benefit plan which supplements the basic retirement program, PLAN A, for ministers.

Plan A (church-agencies) now has 25,748 members; Plan B has 15,475 members;

Plan C has 5,521 members. Total retirement benefits paid $15,506,663. A total of $189,742 was paid to 405 relief receipients.

In the Carolina Association, 31 out of 55 churches have a total of 35 workers in one of these plans. It is urgent that the other 24 churches enter the plan with their pastors and workers.

CHRISTIAN EDUCATION

A significant increase is reported again this year in the enrollment of ministerial students on the Baptist college campuses. The 1973-74 enrollment is up 890 or a gain of 9.74 percent.

A reaffirmation of commitment to the Biblical and theological basis for Christian higher education was unanimously adopted by the Association of Southern Baptist Colleges and Schools.

There is a significant increase of qualified teachers in the placement bureau. This bureau has assisted 51 out of 53 Baptist colleges in securing faculty members and assisted the Foreign Mission Board in securing from Baptist colleges teacher personnel for overseas teaching.

On the college campuses students are participating in Pre-School Retreats. These last for three days. This gives the opportunity to interpret to new students the Christian objectives of the school and invites them to become involved in activities that give promise of religious growth while in college. One evening a week student-led worship called "Sing and Share" meets. This service provides a focus for fellowship for interested students. There are Bible study groups and action groups which offer close association and supportive friendship to many students.

The balance of this report gives you some activities participated in by students of our own Mars Hill College here in Western North Carolina. On campus we have the Ministerial Group which has splendid leadership and has been more active than in recent years. This group sponsors trips to Oteen Veteran's Hospital on Sunday with faculty members frequently speaking at the meetings. The Christian Movement Choir, led by a student, consists of 70 members and has performed in churches in the area. Off-campus activities include weekend revivals and visits to the Juvenile Evaluation Center and the Western North Carolina Sanitarium.

New dormitories and renovated old ones are an incentive for students in their campus lives. A coffeehouse is being started this year and new sound equipment is being purchased and installed on the campus.

Respectfully submitted,
Harvey N. Lance

RESOLUTIONS

BE IT RESOLVED:

1. That we gratefully express our sincere appreciation to the Locust Grove Church and its pastor for the use of their lovely facilities for the night session.
2. That we offer our thanks to the First Baptist Church of Saluda and their pastor,

along with the ladies, who so graciously served such a delicious meal for the day session.

3. That we voice our deep appreciation to our retired Superintendent of Missions, Guthrie Colvard, and his wife, Mrs. Swannie Colvard, for the fine way they have led our associational work; and it is our hope that they will enjoy many years serving our Lord in the future.

4. That we acknowledge the faithful and untiring efforts of our Missions Committee Chairman, W.C. Blalock, and the committee who has served with him.

5. That we go on record with a word of gratitude for Mrs. John Rymer, our associational secretary, who has done such a very excellent work and how has agreed to work full-time in the interim period until a Superintendent of Missions can be called.

6. That we express our gratitude to all the program personnel who have labored to make this ninety-seventh annual session a success and a blessing.

7. That we express our gratitude and deep appreciation to our Moderator, Frank Hopkins, and his assistants for a task well done; and also, for Brother Hopkin's willingness to help carry on with the work of the Association in the absence of a Superintendent of Missions.

8. That we record our thanks for the visiting personalities who have helped to make this session a most inspiring success.

ARTICLE 1 - NAME

The name of this body shall be the "Carolina Baptist Association."

ARTICLE II-PURPOSE

It shall be the purpose of the Association to cooperate with the State and Southern Baptist Conventions in the promotion of Christian Missions at home and abroad, and in any other related objects such as evangelism, Christian Education, benevolent enterprises, and social services which it may deem proper and advisable for the furtherance of the Kingdom of God.

ARTICLE III-MEMBERSHIP

They were: Art Fore at Shaws Creek, Paul Stroupe at Naples, Joseph Godwin at Main Street, Phillip Frady at Mountain Valley, Bob Arrowood at Mount Gilead, Bill Evans at Mills River, James R. 5. William Willingham led in singing the hymn "Redeemed, How I Love to Proclaim It."

6. The moderator called once more for the Committee on Enrollment Report. Charles Magnet reported 38 churches represented with 177 messengers and 40 visitors, making a total of 217. He made a motion that these, and others who will register, constitute the Association for its ninety-eighth annual meeting. The motion carried. Host Pastor Charles Magnet then extended a cordial welcome to everyone.

7. Dean Weaver named those persons he appointed to serve on the Committee on Resolutions. They were: R.P. Hamby, Clifford Williams and Harold McKinnish.

12. Thad Keever called to the moderator's attention that the Church Training Report was overlooked. Jimmy Cox was recognized to bring the report. Brad Riddle,

18. William Willingham presented the report on the Cooperative Program. The report was adopted.

19. Dean Weaver introduced Rev. Woodrow Flynn, pastor of First Baptist Church, Murphy, N.C. Preston Capps sang "Open The Gates of The Temple." Mr. Flynn chose II Kings 6:15 for his text. His message was entitled "How Shall We Do?" He said we Christians today need: (1) to pray for our eyes to be opened as Elisha prayed for the servant's eyes to be opened so that we can see what is to be done right around us; (2) a new consciousness of the presence of God; (3) to stop walking by sight and walk by faith; (4) to put into action all that we know; and (5) to follow Jesus.

20. Dean Weaver called for prayer to adjourn the evening session until tomorrow at 9:00 a... at Fruitland Baptist Church. Frank Carter dismissed in prayer.

MORNING SESSION

Fruitland Baptist Church

21. The sessions was called to order at 9:00 a.m. by the moderator. Lamar Wakefield led in a few moments of worship, reading from Mark 4 and leading in prayer. Mr. Wakefield welcomed the Association to Fruitland for the day session. Preston Capps led in singing the hymn "Guide Me, O Thou Great Jehovah." Dean Weaver called for the report on enrollment. It was incomplete.

22. Dean Weaver asked to change the order of business by taking the Baptist Homes for the Aging Report before the Migrant Missions Report. This change was adopted. Condred Pirkle presented the report for Baptist Homes for the Aging. The report was adopted. Kenneth Mullins, assistant director of the Stewardship Department in Nashville, Tennessee, spoke to the report. Mr. Mullins said that $1,000,000 must be raised to build the first phase of the home in Asheville. The need for such a home in Western North Carolina is tremendous.

23. In the absence of Robert Linder, Dean Weaver presented the Baptist Hospital Report. The report was adopted. Rev. Herman Hicks, pastor of Round Hill Baptist Church, Union Mills, N.C., spoke to the report. He called attention to the brain scanner in use at Baptist Hospital, and that it is the first and only one in operation in the state of North Carolina.

24. Clifford Williams presented the Migrant Missions Report. He is grateful to the churches that supplied health kits for the migrants. The report was adopted.

25. Robert Bryson presented the Baptist Children's Homes Report. The report was adopted. Hugh Starnes, WNC Area Administrator, spoke to the report. He thanked those persons in Henderson County responsible for sending apples to Broyhill Home. Just yesterday the children and house parents enjoyed a fall festival day of making sweet apple cider. A fifth cottage has been started. The film, "The Mountain Within," is available to the churches.

26. Preston Capps led in singing the hymn "Wonderful Words of Life."

27. In the absence of Sam Padgett, Phil Grose brought the Treasurer's Report for the Association and the budget for 1975-76. He asked that they be considered

together. It was voted in the affirmative to take them together. Mr. Grose read a letter from Sam Padgett to the Association, expressing his regrets in having to be out of town for another commitment. Frank Carter asked about the adoption of the Mission Store budget along with the Associational budget if this means using Mission Store funds for the expenses of the Association. It was voted to wait until a little later to vote on the section of the budget pertaining to the Mission Store due to a recommendation to be brought from the Executive Committee to incorporate the store and the association. The Treasurer's Report and the section of the budget for the Association were voted upon. The vote carried.

28. Dean Weaver presented the Executive Committee Report. He brought two recommendations from the Executive Committee and asked that they be voted upon separately as Part A and Part B.

Part A. The Executive Committee recommends to the Association in annual meeting that the Carolina Baptist Mission Center and the Carolina Baptist Association be incorporated under the same charter retroactive to January, 1975. The recommendation was voted upon. The vote carried.

Part B. The recommendation to resume fifth Sunday meetings for a time of associational gathering for the purpose of limited information, sharing and inspiration. Charles Magnet was recognized to speak. He took us back to the reason to discontinuing this particular meeting. In the 89th annual session, August 1966, in the day session at Saluda Baptist Church, the Executive Committee brought a recommendation that we delete this particular part of our associational program. It came as a recommendation nearly ten years ago, and the reason was that no one was attending the meetings. This was putting a tremendous burden upon the pastors, and it placed a burden upon the superintendent of missions - he almost had to be present. It was fine in its day. Ten years ago, if it was on its way out, we certainly know there is not much chance of its revival today. Our churches are better informed than they have ever been. Our programs are geared in a direction that is much more conducive to information and fellowship than they were 15 years ago. We found ourselves in a very thin line in some of those meetings, not only discussing, but transacting a little business which, of course, was in violation of the constitution. Mr. Magnet said as a pastor he has more meetings now than he can possibly attend.

Floyd Clark called for more discussion on the matter. Latt Beshears commented that if fifth Sunday meetings were resumed, a committee or someone would have to be elected to plan and direct them. The question was called for. A vote was taken and the recommendation was defeated.

29. Dean Weaver called again for the enrollment. Lamar Wakefield reported 126 messengers and 26 visitors, making a total of 152 enrolled at that time.

30. The moderator called for miscellaneous business. Charles Magnet was recognized. He brought an amendment to the By-Laws, noting that the constitution states that amendments to the By-Laws may be made at any session of the annual meeting of the Association when presented in writing at said meeting. Mr. Magnet's amendment is to By-Law II - Associational Year - The Associational year shall begin September 1st and close August 31st. He pointed out the necessity for this change since the Executive Committee voted during the year to change the date for ending the associational year. The amendment was voted upon and was carried.

31. Charles Magnet pointed out that we would be electing officers in a few minutes, one of them being the associational treasurer. The setup for several years has been for the office secretary to keep the treasurer's books. He pointed out that the constitution states that the office of the treasurer is to keep the books, make reports and things of this nature. This puts a tremendous load on the office secretary in addition to her other duties. Mr. Magnet believes whoever is elected as treasurer ought to assume the responsibility of keeping these books as it is stated in the constitution. He reminded the body that in voting to incorporate the Mission Center and the Association, this combines the Mission Store account and the Association account. We now have no built-in safeguards in the spending of these two monies. Mission Store money can be used in the operation of the Association. Dean Weaver asked Charles Magnet if he wanted to bring a motion. Mr. Magnet said no, that he

was bringing this as information.

32. Latt Beshears announced that several churches have failed to put on their church letters someone to act as their executive committee representative. He urged these churches to elect someone right away and call the names into the office.

33. Dean Weaver called on Latt Beshears to preside for the election of officers. Nominations for moderator were called for. Charles Magnet nominated Dean Weaver. It was moved for the nominations to cease. Dean Weaver was voted in as moderator. Nominations for vice-moderator were called for. Floyd Clark nominated Lamar Wakefield for vice-moderator. It was moved that the nominations cease. The vote was taken and Lamar Wakefield was elected as vice-moderator. Latt Beshears called for nominations to the office of treasurer. Dean Weaver said since the vote to incorporate the Carolina Baptist Mission Center and the Carolina Baptist Association, there may be a need for two persons to sign checks, one as treasurer and one as assistant treasurer. Latt Beshears turned the chair over to Dean Weaver to take care of this. Howard Sitton was nominated for treasurer. Thad Keever asked for the election of treasurer to be tabled until the afternoon session.

34. Preston Capps led in singing the hymn "To The Work."

35. Frank Carter presented the Evangelism Report. The report was adopted. He encouraged the churches to plan for Simultaneous Revivals this March or April. Luther Osment, Western North Carolina missionary, was asked to speak to the report.

36. C.F. Jervis presented the Historian's Report. The report was adopted. He then spoke to the report and urged the churches to have their records microfilmed. R.P. Hamby was recognized and commented on the third paragraph of the report that the word "transferred" was not in keeping with Baptist policy that no Baptist pastor is ever "transferred"from one church to another. He made a motion to amend the paragraph to read: Dan Blackwell resigned as pastor of the Beulah Baptist Church and accepted the call to the Upward Baptist Church. The amendment was voted upon and carried. The report was adopted.

37. Raymond Byrd presented the Temperance and Public Morals Report. The report was adopted.

38. Mrs. John Rymer presented the Baptist Foundation Report. The report was adopted. Robert Bruhn, administrative assistant from Raleigh, was recognized. He brought greetings from Ed Coates, executive secretary of the Baptist Foundation in Raleigh, and spoke to the report.

39. Lamar Wakefield presented the Christian Literature Report. The report was adopted. Woodrow Hill with the **Biblical Recorder** was recognized to speak to the report. There are 33 states publishing Baptist state papers now in the Southern Baptist Convention. The goal is to have Baptist state papers in 2,000,000 homes by 1980.

40. Thad Keever presented the American Bible Society Report. The report was adopted.

41. Dean Weaver asked Latt Beshears to preside for him so he could have a few minutes before bringing the annual sermon. Mr. Breshears urged everyone to stay after lunch to hear Harold Wood of Mars Hill College.

42. Preston Capps led in singing "Count Your Blessings." Mrs. Paula Gentry sang "His Love Is Mine."

43. Dean Weaver called upon Jack Stafford to read his text. He read verses from I Samuel 15 and asked for everyone's prayers for Dean Weaver as he brings the annual sermon. Jack Stafford led in prayer. Dean Weaver brought the annual sermon. Although he did not give a title to his remarks, an appropriate title would be "A Servant of the Living God." He said it is the highest, greatest and most wonderful calling a person could have. This service can't be performed in just any manner. There is a way to serve God that is God's way and a way to serve God that is man's way. Saul was a typical example of serving the Lord in man's way and pointed out that we have many modern "Sauls" in our churches today.

44. Dean Weaver asked everyone to stand for prayer and that this prayer serve as the blessing for the noon meal. Session was adjourned until 1:00 p.m.

AFTERNOON SESSION

45. Dean Weaver called the afternoon session to order. Jack Stafford led in the worship period by reading Psalms 103:1-13 and leading in prayer. William Willingham led in singing the hymn "Rescue The Perishing." Dean Weaver reminded those who have not registered to please do so. This changed the enrollment to 127 messengers and 28 visitors, making a total of 155 registered for the day.

46. Miss Audrey Saunders presented the Foreign Missions Report. The report was adopted. Miss Saunders recognized Mr. and Mrs. Wayne White, missionaries to Mexico. Mr. White spoke to the report. He said there are 50 million people living in Mexico and less than ½ of 1% are evangelical Christians.

47. Bill Evans presented the Home Missions Report. The report was adopted.

48. Alex Booth presented the State Missions Report. The report was adopted.

49. In the absence of James Richardson, the moderator made a motion to adopt the Annuity Board Report. Report was adopted.

50. Mrs. Ann Howard gave the Obituary Report reading the names of the deceased as reported in the church letters. Thad Keever made a correction for Barker Heights from Mrs. Billy Goforth to Mrs. Betty Goforth. William Willingham led in singing the hymn "Sweet By and By."

51. Dean Weaver brought the unfinished business from the morning session, that of tabling the election of treasurer until the afternoon session. He called for a vote to take this off the table. The vote carried. Dean Weaver said since the morning session, the constitution had been consulted, and we can only elect a treasurer since the constitution does not provide for the office of assistant treasurer. Joe Godwin nominated Sam Padgett as treasurer. Mr. Weaver said Howard Sitton asked for his name to be withdrawn from the nominations. William Willingham moved for the nominations to cease. Vote carried. The name of Sam Padgett was voted on. The vote carried.

52. The moderator recognized Thad Keever. He made a motion that the Missions Committee authorize the spending of all Mission Store money; and before any money from the Mission Store can be spent for the support of the Carolina Association, it be presented to the Executive Committee or at the annual meeting of the Carolina Baptist Assocaition. The motion was seconded and carried.

53. Jack Stafford presented the Nominating Committee Report, making a correction for Music Director. The number of years appearing by William Willingham's name as Music Director should be changed from three years to one year. Thad Keever nominated Art Fore for the posetion of Church Training Director. It was asked if Jimmy Cox had withdrawn his name. There was discussion on this nomination that there are two people nominated now for Church Training Director and this needs to be decided between the two before the total report can be adopted. Latt Beshears asked the question for information, "Was Jimmy Cox elected by this body to serve for three years?" If so, he would have to be voted out of office. Charles Magnet said he was elected for three years, and all of these officers with a number were elected for three years. It has been a question in the committee meetings why we continue to bring these names back for ratification each year. The moderator said this seems redundant. Due to the fact that he has already been elected to this office, seems to preclude his consideration, or we will be recinding an action taken in earlier sessions. Dean Weaver ruled Thad Keever's nomination out of order. The Nominating Committee Report was then voted on and adopted.

54. Charles Magnet presented the Committee on Committees Report. The report was adopted.

55. Dean Weaver gave the report on the Committee on Place and Preacher in the absence of John Rymer. It was as follows:

PLACE: Beulah Baptist Church - night session
Mt. Moriah Baptist Church - day session
PREACHER: R.P. Hamby
ALTERNATE:William C. Blalock

The report was adopted.

56. Dean Weaver called for the report on Committee on Resolutions from R.P. Hamby. Mr. Hamby did not have a report. Dean Weaver expressed our grateful thanks to the West Hendersonville Church and to the Fruitland Church who served such a delicious meal. R.P. Hamby moved to give Fruitland a standing vote of thanks. Dean Weaver thanked Mrs. Sinclair for serving as pianist, the others who helped with the music, and everything that everyone had done to make the meeting a success.

57. William Willingham led in singing "Onward Christian Soldiers."

58. Homer Baker made a motion to dedicate this year's annual minutes in memory of Forest Maxwell, John Riffey and O. S. Ulmer. The motion carried.

59. Harvey Lance presented the Christian Education Report. The report was adopted. William Willingham sang "It Will Be Worth It All." Latt Beshears introduced Professor Harold Wood from Mars Hill Baptist College to bring the message. Mr. Wood stressed very strongly the importance of the Christian witness in the classroom or wherever a Christian may serve the Lord.

60. Dean Weaver made a motion that the ninety-eighth annual meeting of the Carolina Baptist Assocaition be adjourned. Homer Baker closed with prayer. The meeting was adjourned.

GENERAL BOARD

The General Board of the Baptist State Convention of North Carolina has had a very busy year, as usual.

Your General Board is entrusted with carrying on all business transactions of the Baptist State Convention during the year when the Convention is not in session, and to make certain recommendations to the Convention which call for Convention action, such as budget, etc.

The effectiveness of the work of the General Board is absolutely dependent on the faithfulness of the local churches. Many requests for financial assistance come from the smaller churches such as for the purchasing of land for buildings, supplements of pastors' salaries where inadequate, or supplements of the salaries of some associational superintendents that serve large rural areas where churches do not support the associational work adequately, such as ours. They gave us $150.00 per month for our associational missionary's salary last year.

Some of our Baptist Colleges are having to curtail their expenses and cut back drastically on their personnel. These and other problems have to be prayerfully considered and reviewed by the Board and recommendations made.

Many of the churches of North Carolina have maintained a good steady inflow of tithes and offerings in spite of the recession. It is encouraging to realize that Baptists do not panic and withhold the Lord's money when the economy slumps.

More and more emphasis is being placed upon the lay Christians in an effort to

involve them with actual personal witnessing and leadership responsibilities. This is encouraging.

Ian H. C. Walker

MUSIC

The associational Carol Sing this year was held at the Etowah Baptist Church. A number of Youth and Adult Choirs participated, as well as soloists and smaller groups. This service, with the congregational singing and special music was a great blessing to all in attendance.

Since last year Jimmy Ezell has resigned his position as minister of music and youth at First Baptist Church, East Flat.

John G. Gage, Director

BROTHERHOOD

The Brotherhood had a very good year with five churches starting Brotherhoods. Some 70 Brotherhood men attended a Prayer Breakfast at Main Street Baptist Church, May 20, 1975, with three churches represented. Latt Beshears gave us some good points on Brotherhood work.

We held a joint WMU and Brotherhood Workshop at the West Hendersonville Baptist Church, September 15. The workshop was one and one-half hours long. There were some sixty Brotherhood and RA leaders in attendance.

A good report came to us from the RA and GA Day Camp this summer. We hope for a better one next year.

Activities for 1976

January 24 ..... Brotherhood Supper and Program
March 19-20 ..... State Pioneers & RA Congress

WOMAN'S MISSIONARY UNION

This year has been a good year in our women's work. For the fourth year we have been recognized as a "distinguished" organization. We had two members of the executive committee to attend the Annual State WMU Convention. We have a member elected to our State Board, Mrs. Rose Wakefield.

Our association met with the Mud Creek Association for the World Day of Prayer Observance with 88 persons attending. An offering was sent to the North American Baptist Women's Union from these two associations in the amount of $107.70.

Our Baptist Women held a Prayer Retreat at Fruitland with Mrs. Ruth Lnacaster in charge. This has been the year of Baptist Young Women on our calendar. Organizations of BYWs have been formed at Ebenezer, Saluda, and a second group at Hendersonville, First, with Mrs. Wakefield assisting.

Miss Tona Lawter reports that the Acteens have held two associational meetings. In the fall meeting, Rev. W. C. Blalock spoke about his trip to Haiti. In March, Rev. Clifford Williams spoke to them about migrant work here at home.

Our G.A.'s joined the R.A.'s in a Day Camp at Fruitland for five days in July. Mrs. Carol Richardson reported the camp was well attended and real blessing to all. Mrs. Linda Trantham reported a good clinic with the Mission Friends leaders this year.

Prayers have been made for appointees to the mission field from our association this year. We thank God for the appointment of Mr. and Mrs. Gary Harthcock at Glorietta, formerly Fruitland Institute, to the Leeward Islands. Pray for them.

Respectfully submitted,
Mrs. Marie Blackwell
WMU Director

CHURCH TRAINING

This year proved to be a very successful year in Church Training. We had a rather successful Church Training and Ministry Clinic at Fruitland Institute in February. It was led by State workers.

Last year brought new dimensions to youth work in our association. Youth from many churches participated in the Lloyd C. Douglas play, "The Robe," on March 28 and 29. This drama was presented at Fruitland Institute and was very well received.

The Youth of the Association participated in Youth Rallies in various churches this summer. The first rally at Brightwater Church had an attendance of 44, and the last rally at Balfour Church had an attendance of 134.

On November 24, "M" Night will be observed with Rev. Tom Jones, pastor of First Baptist Church, Travelers Rest, S. C., as the guest speaker. We are planning monthly Youth Rallies during the school months. We plan to present "The Robe" again on Easter weekend. We have scheduled a Deacon's School with Dr. Nathan Brooks, director of state programs, on February 17 and 18. Dr. Brooks has asked that all deacons, their wives, pastors and their wives be present for this school.

Remember if you fail to plan, you plan to fail.

Jimmy Cox, Director

SUNDAY SCHOOL

Carolina Baptist Association cooperated in celebrating High Attendance Sunday on November 17, 1974. We reported 5,568 attending Sunday School that Sunday. North Carolina came in second among 33 states participating in the effort.

An Adult Director's and Pastor's Clinic was held on February 24, at First Baptist Church. The clinic was led by Allen Jewett as it dealt with the administration of Adult Sunday School work in the areas of growth, Bible teaching, and planning.

In the year ahead several exciting things are being planned for associational Sunday School work such as On The Job Teacher Improvement Clinics and a Sunday School Enlargement and Improvement Campaign, September 11-15, 1976.

High Attendance Sunday in Sunday School this fall is set for November 2. Emphases for the year are:

1. Singleout - emphasis on the single adult
2. Baby Hunt - search for preschoolers under two years of age--April 26-May 1.
3. Organizational Expansion - Churches are encouraged to initiate a cradle roll department along with a single adult class.

Respectfully submitted,
Allen Jewett, Director

VACATION BIBLE SCHOOL

A team of leaders from our association attended the State Vacation Bible School Clinic at Wingate College last January. They were trained in the best methods of VBS work. The Carolina Baptist Association Clinic was held in April at Mud Creek Church. Vacation Bible School workers from twenty-five churches attended the clinic.

During the summer most of the churches in the association had a Vacation Bible School. The attendance at these schools was good, and many boys and girls had a perfect attendance.

We are grateful to the workers in each church who helped in VBS. This is indeed one of the greatest works in our churches.

Respectfully submitted,
Mrs. Alex Booth, Director

MISSIONS COMMITTEE

The Missions Committee of the Carolina Baptist Association led in several important aspects of the work during this associational year. All members are to be congratulated for their parts in the projects.

Reverend Latt Beshears was recommended and called as director of associational missions. The committee worked hard and prayed much in the search that led to this action. He moved onto the field just in time for the next project.

The World Missions Conference, March 16-23, involved more than twelve missionaries and twenty-four churches. Half of the churches followed a schedule from Sunday morning through Wednesday, and the other half followed the schedule from Thursday through Sunday night. Foreign, Home, State and Associational Missions were well presented and the response was good. The missionary from each field participated in a "Missions Fair" at First Baptist Church with a special reception welcoming Mr. and Mrs. Latt Beshears to our association.

The combination of the Mission Store operation and budget with the regular operation of the Association under one charter of incorporation is another project which will be brought for ratification to this annual meeting. Consultation with professional people led the committee to recommend this action. The Executive Committee approved the action and the proper processes were begun.

Another major project of the missions committee is an effort to encourage all churches in the Association to support the work better. A recommendation that every church now giving less than two percent of the plate offerings increase their support to that amount was approved by the executive committee. Since several of the churches give considerable more than that, it is believed such a move would provide an adequate financial base. Much of the limitation of the Lord's work is directly linked to financial support.

The missions committee expresses gratitude to those who worked with it in the accomplishment of these projects. Special gratitude is expressed for the leadership of Mrs. Beshears, our director of missions.

Alex Booth, Chairman

MISSION STORE

Although I closed the books about one month earlier than usual, the Mission Store had a very good year.

We gave 1,005 items away free of charge. In the furniture line, we gave two beds,

two tables, six dinnette chairs, two couches, and four living room chairs which amounted to $101.92. Clothing, curtains, blankets, etc. given came to $685.93. Total value of these items came to $787.85. We gave one family of four breakfast ($4.16). Two lunches were given ($1.56).

At Christmas we gave toys and special items of clothing to 35 families. Each family is given a box to till or two boxes according to the size of the family, and they select the items they want. However, we allow only tow toys per child. Then I set a price on the items in the box as though they were paying for them. These Christmas boxes of items amounted to $210.18. Cross Roads Baptist Church gave me over $100.00 to spend as I wanted for clothes and toys for very under privileged children.

I gave a lady some men's white shirts to make hospital type gowns for nursing homes and yarn to use for sweaters, caps and gloves for an orphanage. These items were valued at $78.00.

Total value of items given away comes to $1,081.75.

DIRECTOR OF MISSIONS

This is my first report to the Carolina Baptist Association. It is for six and one-half months. As you know, I came to you the middle of February. These months have been times of adjusting, getting acquanted with you, and trying to create a warm Christian fellowship among our people and churches. This fellowship is now showing through the desire of churches and pastors in having a part in our association. A concern for the redemption of people in our area is helping our churches to support the work better.

It is my desire to have something constructive and worthwhile for strengthening all of our churches. I want every church to feel that they are a part of something world-wide, and that something is going into all the world with the "Good News" as our Lord commanded us in Matthew 28:19-20.

Through the channels of Southern Baptist Missions Program, this can be done. We need to take a new look at what the GREAT COMMISSION said. We can come the nearest in carrying out the Great Commission through our mission program than we can any other way. THINK! He did not say go to one little spot, but to all the world. We have missionary work in 82 countries with over 5,000 home and foreign missionaries. I had rather give to support all these than just one or two, wouldn't you? Your support through the Cooperative Program does just that, regardless of the amount you give, whether it is 50 cents or a $1,000.

Would you begin, if you haven't already, to do this by giving at least ten percent (10%) to missions? Two percent (2%) through our association and eight percent (8%) through the Cooperative Program? We preach and teach tithing to our people, but I'm also a strong believer in a church being a tither to missions. If you will give me tools with which to work, I'll assure you of a strong associational mission program to help every church.

SOME OF MY WORK EMBRACED THE FOLLOWING: number of churches visited - 48; total churches visited for meetings - 100; conferences and committee meetings - 90; helped plan annual program; prepared annual associational calendars 290; preached one revival; helped in final plans for World Missions Conference; shared in fellowship with pastors in weekly meetings; helped promote Association, State, Home, and Foreign Missions in all organizations; spoke at Brotherhood and prayer meetings - 8; helped in planning and directing our R.A. and G.A. week of Day Camp; attended Sunday School and Home Missions Weeks at Ridgecrest; preached 28 sermons; worked in Associational Sunday School Enlargement Campaigns - 3; attended Southern Baptist Convention in Miami, Youth Rallies, State Clerks Clinic at Ridgecrest, WMU meetings, and drove 13,557 miles.

Respectfully, your co-laborer
Latt Beshears

COOPERATIVE PROGRAM

At a time when many other denominations are having to reduce their outreach, the faithful stewardship of individual Christians and the missionary vision of our churches, expressed through their support of the Cooperative Program, enables Southern Baptists to maintain a growing World Missions Program.

Through the Cooperative Program the sun never sets on your offering. Your offering goes to help evangelize, to teach, to heal, as well as preach the Good News of Christ around the world. Consider how your gifts are used in God's service: More than 5,000 missionaries at home and in over 80 nations abroad receive a salary each month from your Cooperative Program dollar. These are the called of God to go preach, teach, nurse, doctor, and to do many other tasks. From our churches they have gone out to serve God as He directs them. Moreover, the aged, the sick, the widows, and homeless children have found help through your generous gifts.

Last year 1,026 churches increased their gifts through the Cooperative Program by 15 percent or more, and three associations in our state had 100 percent of their churches giving to the Cooperative Program.

Let us commit ourselves to do four things in celebration of the 50th Anniversary of the Cooperative Program:

1. Each church increase its gifts to the Cooperative Program by 15% or more.
2. Pray for your home and foreign missionaries at each service in your church during October.
3. Contribute through the Cooperative Program every month.
4. Have a stewardship workshop in the Association.

Respectfully submitted,
William W. Willingham

MIGRANT MISSIONS

Very few people in the Carolina Baptist Association have a knowledge of the Migrant Missions work in our area. We have all kinds of people who come to this area each summer to gather the crops.

Each year many people come to Henderson County to work in the fields and orchards. They come from states as far away as Florida, New Jersey and Michigan, just to mention a few.

Reverend Clifford Williams was the migrant minister again this year. He is presently pastor of Liberty Baptist Church. He visited three camps each week and showed films furnished by the Radio and Television Communication Center of the Baptist State Convention. Many churches participated by giving health kits this year. Some 200 health kits were given and over 700 migrants were contacted.

The Missions Committee granted $400 from the Mission Store funds again this year to help support the work. We are grateful for this gift and for each person and/or organization helping to make this ministry possible. The Henderson County Migrant Council and Henderson County Ministerial Association play an important part in this ministry. By joining hands, we have had an effective outreach to the migrants this year.

Respectfully submitted,
Clifford C. Williams
Migrant Minister

BAPTIST HOSPITAL

There have been many significant developments in several different areas at your Baptist Hospital during the past year.

The new ambulatory care unit is now open, making possible enlarged and improved services for the Emergency Room, Out-patient Clinics, Physical Therapy and other departments. Renovation of the West Wing will be completed and renovation of the South Wing began in early August. The third floor of the Progressive Care Unit has been remodeled to provide 26 beds.

The EMI-scanner is now in use and is proving beneficial in detecting blood clots, tumors, strokes and other abnormalities of the brain. A Family Practice Center opened July 1, 1975, to offer more primary medical care for patients and also to provide specialized training for physicians who choose to enter Family Practice.

The Department of Pastoral Care has opened a counseling center in Raleigh. Plans are developing for a third satellite in the western part of the state. The Department has established a scholarship fund as a memorial to Dr. Richard K. Young, the department's first director, who died December 31.

Mr. Reid T. Holmes retired as President of the hospital after serving in the hospital administration for 29 years.

Despite the continued rise in costs for services and materials, the hospital has been able to operate in the black. During the calendar year of 1974, the hospital received gifts through the Mother's Day Offering amounting to $392,000 and received $258,898 through the Cooperative Program.

During the year the hospital had its biennial review by the Joint Commission on Hospital Accreditation, and all areas of operation received an excellent report.

Robert D. Linder

BAPTIST CHILDREN'S HOMES

Since our Christian Child Care Program was launched ninety years ago by the Baptists of North Carolina, it has shown a steady growth. Today we have a work to be proud of. The impact of this Christian work is being felt throughout our state and nation.

During the past year over 1500 children received daily care and related services. Our western home, the Broyhill Home, is growing tremendously. We met last October 27, for the dedication of the Haywood and Wall Cottages, plus the recreation and administration buildings. Another cottage will be built in the coming year.

The services of the maternity home in Asheville has been a blessing to several young girls.

The Thermal Belt Youth Center at Forest City was opened last spring and is meeting a vital need for children needing immediate care. The Foster Home Care is another phase of our child care work that is growing by leaps and bounds.

Let us as Baptists and Christian friends continue to cooperate in our giving and pray that we may be able to minister to more children in the coming year than ever before.

Respectfully submitted,
Robert F. Bryson

BAPTIST HOMES FOR THE AGING

There has never been a year in the history of your Baptist Homes when more people have sought the services of the Homes. This has been true particularly of the aging sick person. Almost daily calls come from older persons and their families seeking admission to one of your five resident Homes.

As God continues to bless us and lead us, we will make every effort to expand our ministry and to reach out and help as many older persons as possible in the years ahead.

Your love gift is a life-line to these deserving older persons, and they could not be cared for in the majority of cases, if it were not for you. Four out of every five persons who live in our Homes depend upon these love gifts for their care!

Plans are in the making now to raise $1,000,000 for the construction of a newly proposed Western North Carolina Baptist Home. These plans initially will include 50 rooms for residents, with living room, dining room, library, chapel, activities room, and other necessary rooms. With the completion of this Home, North Carolina Baptists will be enlarging their base of ministry to almost 300 persons, and older people from Western North Carolina will have a facility to serve the hundreds in our area who will need the service of this lovely facility now and in the years to come.

Know that your ministry to just one of these older people is a ministry as unto Christ Himself.

Respectfully submitted,
B. Condred Pirkle

EXECUTIVE COMMITTEE

In the January meeting, the Executive Committee received and considered the recommendation of the Missions Committee to extend a call to Reverend Latt Beshears as the Superintendent of Missions of the Carolina Association. Financial arrangements of such nature as paying utilities in the place of social security benefits, base telephone rate in the home, and annuity and health benefits increased by $20.00 a month were discussed along with the desire for a long tenure of service. The vote to extend a call was unanimous.

At the March meeting, Reverend Latt Beshears was welcomed to the Association and gave a short report on the two weeks he had been on the field. The Missions Committee, having voted to obtain a charter for the Mission Store, recommended that the Association and they be incorporated under the same charter. The vote was unanimously carried. It was also at this meeting that it was decided to end the associational year on August 31, rather than September 30.

At the June meeting, the meeting, in the main, was taken up by several recommendations of the Missions Committee: (1) a study to be made of the money matters of both the Mission Store and Association with a view to unification of budgets, (2) construction of collection boxes for items of donations to the Mission Store, (3) youth rallies held by associational youth and officers in various churches throughout the summer season, (4) request for 2 cents per plate dollar in individual church support of associational missions program, and (5) recommended the resumption of fifth Sundays as associational gatherings for the purpose of limited information, sharing and inspiration.

In the September meeting, the budget was presented and approved. Again we agreed to ask the State office for assistance in meeting our budget. The calendar was presented and approved along with reports of existing committees.

EVANGELISM

The continuing response of youth and adults to Lay Evangelism Schools has been significant. In the past three and one-half years, 12,774 youth and adults have shared in this lay witness training from 1,007 churches and 55 associations. Also, 107 pastors from nine other associations have participated in Pastor's Retreats dealing with Lay Evangelism Schools.

"Be Reconciled to God and Man" was the theme of the 29th Statewide Evangelism Conference at War Memorial Auditorium in Greensboro, February 3-5, 1975. Over 2,400 pastors and lay persons heard excellent speakers emphasize various phases of evangelism. The 30th Statewide Evangelism Conference will be at the Civic Center Auditorium, Asheville, February 2-4, 1976.

More than 11,000 youth, pastors, and adult leaders attended the 5th Statewide Youth Evangelism Night, August 15, at the Greensboro Coliseum. Dr. Bill Self, Atlanta, Georgia, was the guest speaker, and Bill and Linda Cates were the guest musicians. We are proud of our Christian youth; they continue to show a strong witness for Jesus Christ across our State.

Each association is encouraged to plan a Simultaneous Revival among the churches during the spring (March or April) of 1976. If you do not have a Simultaneous Revival, every Baptist church is urged to plan a dynamic revival effort in the spring of 1976.

God has left His Church in the world as a witness to the saving power of Jesus Christ. If we are not engaged in this task of evangelism, no matter what else we may

be trying to do, we are not doing what God wants us to do.

Our country is growing by leaps and bounds, and we must not allow our evangelistic thrust and spirit to become silent. Remember to pray daily for the work of evangelism in all the churches of our association, state, nation and the world.

Respectfully submitted,
Frank Carter, Chairman

HISTORIAN'S REPORT

Outstanding among the events of the associational year was the coming in February of our new superintendent of missions, Reverend Latt Beshears, and his wife, Mrs. Rose Waters Beshears. Mr. Beshears has taken hold of the work in earnest. He has already visited most of the churches, and he has preached in several. By these activities and others, he is proving himself to be a capable and worthy leader. In this connection, let us remember with gratitude the good work of our most efficient secretary, Mrs. Velma Rymer, during the interim since the resignation of our former superintendent of missions, Guthrie W. Colvard.

RESIGNATIONS: The following resignations are on record: Zeke Crawford at Mills River, Larry Hill at Mountain Valley, Frank B. Hopkins at Shaws Creek, Curtis J. Waters at Tuxedo, Charles Middleton at Valley Hill, Thurl Middleton at Cross Roads, Robert Poulsen at Brightwater, Harold Sprinkle at Ebenezer, and James Bryant at Bat Cave. Jimmy Ezell, minister of music, resigned at East Flat Rock.

Gilead, Bill Allison at Cross Roads, Philip Frady at Mountain Valley, Art Fore at Shaws Creek, George Holland at Bat Cave, Paul Stroupe at Naples, Harold McKinnish at Tuxedo, and James Ronald Byrd at Valley Hill. Dan Blackwell resigned as pastor of the Beulah Baptist Church and accepted the call to the Upward Baptist Church.

Vice-moderator Dean Weaver, pastor of East Flat Rock Baptist Church, assumed the duties of our former moderator, Frank B. Hopkins, upon his leaving the association.

SPECIAL MENTION: George Roberts was honored by his church at Refuge for his tenure of thirty years as pastor.

The Tryon Church honored Pastor James B. Richardson and Mrs. Richardson with a nine-day trip to Hawaii.

The East Flat Rock Church was honored recently with a visit by the President of the Southern Baptist Convention, Dr. Jaroy Weber, and his wife, Mrs. Weber. Their daughter, Nettie Weber, is serving as Youth Director at East Flat Rock.

The Shaws Creek Church recently paid special honor to Frank B. Hopkins and family upon his resignation as pastor.

Dan Blackwell recently baptized 21 candidates at the Upward Church.

E. Gary Harthcock, former head of the Fruitland Bible Institute, and Mrs. Evelyn Harthcock have been appointed by the Southern Baptist Convention as missionaries in agricultural evangelism in the Leeward Islands.

Etowah Church recently honored Mrs. Myrtle Nicholson for her serving 37 years as a Sunday School teacher.

The Sound of Singing Youth, under the direction of Aubrey Edwards, made a ten days' missionary tour as far north as Danbury, Connecticut.

Locust Grove and Upward Churches had several winners in the State Children's Bible Drill at Fruitland Conference Center.

ORDINATIONS: The following ordinations have occurred during the year: Wayne W. Goode by the Mills River Church, Eugene Adams by the Tuxedo Church, and David Pickens by the East Flat Rock Church, while license has been granted to James

CAROLINA BAPTIST ASSOCIATION

OCT. 1975 Box 249 Hendersonville, N.C. 28739 NO SCALE

Jefferson Davis by Mount Gilead Church.

IMPROVEMENTS: The Horse Shoe and Bat Cave Churches have constructed pastoriums. Ground has been broken by the Beulah Church for a new church plant. Mills River has added a six-room educational wing plus a recreational area. West Hendersonville has secured a commodius parking lot opposite the church. First Church, Hendersonville, is far beyond the half-way mark in raising $100,000 for an addition to the church facilities.

COMPARISONS: In making comparisons statistically, any figures or conclusions as to our progress or lack of it, could possibly be misleading due to the shortening of the associational year by one month so as to end our year August 31, rather than September 30. However, figures based on a comparison of the minutes of the two most recent years, show considerable progress. There is a gain of 609 in membership, a gain of 368 in Sunday School enrollment, and an increase in mission contributions of $36,786. There was an increase in total contributions of $55,898.

IN MEMORIAM: We were saddened by the deaths of the following persons in the associational year: Reverend Forest C. Maxwell, former pastor in this and other areas; Reverend Roy Campbell, former associational missionary and also pastor of local churches; Dr. John L. Riffey, former missionary to Brazil, teacher at Fruitland Institute, and father of missionary, Joan Sutton; Reverend O. S. Ulmer, pastor of churches in both North and South Carolina; and also beloved Mrs. F. M. Huggins, earnest church worker and wife of a former moderator and pastor in our association, the Reverend F. M. Huggins.

TEMPERANCE AND PUBLIC MORALS

If there ever has been a time for Christians to take a stand and be an influence to combat the evils in our society, the time is now.

For churches and Christian leaders to be salt and light as we are charged to be in Matthew 5:13-16, we must be sure that we haven't lost our savor or our light isn't hid under a bushel. Behind the scenes, involvement such as your vote for public officials, your few dollars in support of legislation, or helping other organizations to fight the evils of our society is not enough. God needs you personally to get involved.

We certainly appreciate the efforts of the Christian Action League of North for it's involvement in: prison reform, highway safety, alcohol drug control laws, obscenity and pornography, tax reform, capital punishment, and their efforts to ban advertising of alcohol. Some of our churches have supported the Christian Action League through church offerings and by signing petitions that we hope will influence our legislators to pass laws for better public morals.

The churches of Henderson County, and the Carolina Baptist Association are indebted to Latt Beshears for getting our churches involved to stand against legalized bingo as a means of raising funds by churches and other organizations.

May you as an individual, your church as a group, and the churches of Carolina Baptist Association as a unit take a greater stand for Christian morals in the coming year is my prayer.

Respectfully submitted,
Raymond Byrd

BAPTIST FOUNDATION

Chartered in 1919 by the Baptist State Convention of North Carolina, The North Carolina Baptist Foundation, Inc. has sought to assist individuals throughout the

state in their estate planning, providing ways to support Baptist institutions and mission work on a permanent basis.

During the past two years, $330,070.41 has been given to the N. C. Baptist Foundation in the way of annuity trusts. In this type trust, the donors reserve the right to the income from the investments for their lifetime, and then the income will be paid to the Baptist cause specified in the original trust agreement. The laws of our land provide to the donor certain tax advantages for the gift portion of these transactions.

Wills still account for a major portion of the funds held in trust by the Foundation. One such gift to benefit mission work from this year forward, came in the form of a farm and other assets given by the deceased. It was determined by the tax records found in this estate, that this person will give annually three times as much for missions through the income from this trust fund, as she was ever able to earn in total wages during any year of her lifetime. So what she could not do for the Lord's work here on earth in her lifetime, she does after her life here among us has ended.

New gifts to be held in trust by the N. C. Baptist Foundation amounted to $635,079.57 during 1974-75 fiscal year. Added to the market value of assets held from previous years, brings the total value to $2,331,559.67 as of June 30, 1975. Income from all assets held by the Foundation amounted to $76,257.82 for the past 12 months.

For services offered by the Foundation to individuals or churches, please contact Mr. Edwin S. Coates, Executive Secretary, N. C. Baptist Foundation, Inc., P. O. Box 26508, Raleigh, N. C. 27611 (Tel. No. 919-833-1605). All inquiries and assistance are considered confidential and personal matters.

CHRISTIAN LITERATURE

Presently, our best source of communication and information among Baptists in North Carolina is the BIBLICAL RECORDER. The circulation of the RECORDER remains above 112,000. We feel that this source of news for Baptists is so important that it should be a priority item in your budget for the new year. More than 1,000 churches in North Carolina are doing this.

The voice of the free religious press is a sure protection of man's God-given rights. Also, Baptists should be aware of what other fellow Christians in the convention are thinking and feeling. This paper is too valuable to be cut out of a church's budget.

According to the Southern Baptist Convention reports this year, the present circulation of all Baptist state papers is one and three-quarter million. The goal is getting a state paper in two million homes by 1980.

May I remind you that you are always free to write your opinions and feelings to J. Marse Grant, editor of the BIBLICAL RECORDER. Input from the church community always serves as a barometer to trends in Baptist thought. Your responses to church and political movements are desired. God's Spirit works through our cherished freedom of expression.

AMERICAN BIBLE SOCIETY

The American Bible Society helped support 617 translations and revision projects around the world - 58 percent of them making some part of the Scriptures available to

people for the first time. By the end of the year at least one book of the Bible had been translated and published by the Bible Societies or other Christian organizations in 1,549 languages.

Scripture distribution by the Bible Societies throughout the world during 1974 is estimated to have surpassed 250 million copies.

As a primary supplier of Scriptures, the American Bible Society has for years maintained a close and continuing relationship with Southern Baptists. In 1974, the Bible Society continued to fulfill Southern Baptists' needs with the production of twelve special scripture editions, totalling over 1,105,000 copies.

The American Bible Society maintains a strong and effective work with programs where the Southern Baptist Convention has missionary activity. In Nigeria for instance, Bible Society translation projects showed good progress in 1974 with the new translation of the Old Testament into the Hausa language 90 percent completed and work on Today's Yoruba New Testament now well underway.

The challenge of hundreds of millions of people, hungry for God's Work, confronts the Southern Baptist Convention and the American Bible Society with unprecendented responsibilities and opportunities.

The American Bible Society gives special thanks to Southern Baptists for their close and continuing cooperation with them. Working together, we can be faithful to the high calling to which we are committed.

Thad Keever

FOREIGN MISSIONS

The work of the Foreign Mission Board of our Southern Baptist Convention in 1974 reached new highs. A record number of missionaries witnessed in a record number of countries around the world. God has poured out His blessings on our work in world-wide missions.

Two hundred fifty new missionaries were appointed during 1974. This was the second largest group to be appointed in a single year in the history of our Foreign Mission Board. On December 31, 1974, there were 2,606 missionaries in our Foreign Mission work in 83 countries- the first time we have exceeded 2,600 in personnel. We are the largest missionary-sending agency in the world today.

Financial support through the Cooperative Program and the Lottie Moon Christmas Offering totaled $41,359,127 in 1974, an 11.40% increase over 1973.

Statistics never tell the full story. We must understand missions in terms of patience, courage, stability and dedication of lives and consecrated service on the part of each missionary and national Christian. It must needs be understood in terms of the joyful response of believing hearts as the message of Jesus and His love is received by individuals and the life of discipleship begins.

In a world filled with crisis and tension, missionaries and national Christians continually seek to meet the total needs of the persons with whom they live and work--these needs are physical, mental and spiritual.

There were significant increases in churches, church membership and baptisms in 1974. Church membership increased 30% in our 14,875 churches and mission points. Seventy thousand seven hundred and twelve baptisms were reported-almost a 15% increase.

Every church in the Carolina Baptist Association needs to pray earnestly that God will call out missionaries from its very own membership. May we intercede in prayer daily for those who are on the fields and for those who will be called to go. We must put feet under our prayers and be willing for our sons and daughters to go and give

liberally of our financial means through the Cooperative Program and the Lottie Moon Christmas Offering.

Respectfully submitted,
Audrey E. Saunders

HOME MISSIONS

1975 marks the 50th anniversary of the Cooperative Program, and in spite of the economical problems that have existed, God has given us an exciting year.

The Convention has approved a Cooperative Program allocation of $6,750,000 for the Home Board during the year ending September 30, 1975, plus possibly $562,500 from an additional $3,000,000 "challenge goal."

A total of 414 persons have been appointed to service this year, a gain of 14% over 1973; with 75 missionaries, 165 associate missionaries, 148 to Church Pastoral Aid, and 26 to two-year US-2 appointment.

Raises have been voted and paid, but continuing inflation has sometimes wiped out increased buying power. The median home missionary salary is $2,000 below the national median for a family of four, but advances in 1974 have enabled the Board to provide substantial increases.

During 1974, James Eastland became the first missionary to minister among the men working on the Alaska pipeline. He will travel from his home in Fairbanks northward to Prudhoe Bay, working with men in the construction camps along the route.

Truly we can say that God has blessed us, and it is encouraging to see God's blessings upon this agency. We who know Christ and are committed to him have the opportunity of helping move this nation in the direction it needs to go.

Respectfully submitted,
Bill Evans

STATE MISSIONS

World missions can be divided into Foreign, Home, State and Associational Missions; but each is world missions. Much discussion goes on about which are the most important; but the fact is that they are all important and each is dependent upon the other.

State Missions cover the work of the Lord done by our denomination within the boundries of our state. Support and control grows from the churches in the associations. Just to name the various kinds of work done through cooperation, such as the ministry to the deaf, the ministry to children, to the aging people, to the Indians, to students, to the ill, to those in prison, to the destitute people in the larger cities, would take much space. But State Missions includes more than this type of work. Much of what State Missions does builds stronger churches which are the roots of all missions.

All State Missionaries, whatever their particular facet of the work might be, know that the individual churches are the support and control centers of a World Missions Program. Whatever is done to strengthen a church, strengthens all of world missions. The stronger the association grows, the stronger will be a base for world missions. The stronger the state convention grows, the stronger the participation in world missions will be.

In September of each year, a special offering is taken among our churches for State Missions. The goal during 1975 is $4000,000. A goal of this magnitude has never

been reached; but it is a wholesome ambition. Churches that failed to take the special offering, may still take it. Special offerings are more than money collecting times. They are times to inform congregations about the missions supported with these funds. Excellent materials for this purpose are available. Write: STATE MISSIONS Baptist State Convention, P. O. Box 26508, Raleigh, N. C. 27611; or call (919) 833-1605 and ask for someone who can give you information about STATE MISSIONS.

ANNUITY BOARD

The Southern Baptist Convention Annuity Board serves as a lifeline of support for 10,034 retired pastors and other church-related workers of their widows.

During 1974, the Board paid about $15½ million in retirement and other protection benefits. In the Board's 57-year history, it has paid a total of over $125 million in retirement and protection benefits.

The Annuity Board also holds in trust and invests retirement contributions from 38,000 pastors, other church staff and denominational employees - which will be converted into annuity benefits when they retire.

These funds held in trust amount to a record $353,445,743. While this seems a large amount of money, it needs to be noted that this must be divided by the number of future annuitants it will serve for the remainder of their lifetimes after retirement.

The Annuity Board would have enjoyed its best year ever in 1974, but the stock market's downturn intervened. Realized and unrealized losses in income from bonds, short-term investments, and common stocks amounted to $21 million.

Gains in other investments reduced the net loss to $11.3 million, or three per cent based on average investments. All investment funds suffered from the stock market decline.

In December, 1974, the Board issued a 13th Check to annuitants. It amounted to more than $675,000 and was equal to one month's benefits. It is called a 13th Check because it is issued above and beyond the 12 regular monthly benefit checks.

In North Carolina, 2134 churches and associations and 2616 staff members are currently participating in the Southern Baptist Protection Program. We have 29 churches in Carolina Baptist Association participating in the Annuity one way or another with 35 members.

CHRISTIAN EDUCATION

Our Baptist colleges in North Carolina see themselves as active participants in the Christian mission of sharing the Gospel of Jesus Christ with all people everywhere. In addition to the important role of preparing lay leaders for local churches, the colleges continue a strong emphasis upon ministerial and church-related vocational training.

Recently, our seven colleges reported a total of 715 persons who were preparing for careers in church leadership. Most of these persons will complete their preparation by attending a seminary. Southern Baptist seminaries listed an enrollment of 303 graduates of North Carolina colleges in the spring of 1975. In addition, a significant number of Baptist colleges trained persons to serve in strategic posts with the Home Mission Board, Baptist state conventions, and

associational missions throughout the Southern Baptist Convention.

Baptist college students receive excellent experience and training for church and missionary service through the Baptist Youth Corps. Approximately 100 Baptist college students were assigned to churches for the summer of 1975. The colleges furnish one-half of the Youth Corps worker's salary, and thus enjoy a vital partnership with churches and students in summer mission work.

Mars Hill College is fortunate in the quality and the number of its students who provide creative and responsible leadership for religious life on the campus. Students plan and execute the various projects of the Christian Movement. The school year began with a two-day retreat and planning session for the executive council. The student informal worship hour meets each Thursday evening, and a number of Share Groups and Bible Study Groups meet each week. Student teams have led weekend revivals and youth retreats in more than twenty churches. Regular work is maintained on a weekly basis at the Western North Carolina Sanitorium, the Juvenile Evaluation Center, and Oteen Veterans Hospital.
